ASSEMBLIES

Assemblies at Lincoln School Intermediate are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. Students are expected to act respectful of any guest to the Lincoln campus.

ATHLETICS

It is strongly believed by the teachers and coaches at Lincoln School Intermediate that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes. There are eligibility requirements to participate in an Chickasha Public School extracurricular programs.

ATTENDANCE POLICY

The Chickasha Public Schools Board of Education believes that in order for students to realize their fullest potential from educational efforts, they should attend all classes if possible. Realizing that some absences may be beyond a student's control, the board has adopted a policy requiring students to be in attendance a minimum of 90% each semester to receive a credit/grade for any course in which the student is enrolled. Exceptions to this requirement will be considered by the board on an individual, case-by-case basis.

Neglect or Refusal to Compel Child to Attend School

It shall be unlawful for a parent, guardian or other person having custody of a child who is over the age of five and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school.

[Board Policy EC Attendance](#)

Absences:

There are three (3) kinds of absences: **Excused, Unexcused, and School Activity.** An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made **on the day of the absence:**
 - Illness
 - Doctor or dentist appointment

- Funerals
- Emergencies (Family)
- Recognized religious holidays
- Statements or appointment cards from doctor or dentist must be presented to the Attendance Office.

2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. **It is the responsibility of the parent or guardian to call in on time.**

Absence Notification:

2. 2nd letter-four (4) absences in a four (4)-week period or ten (10) absences in a semester. Signed by principal, sent to Central Office. Copy of all sent to parent/guardian and placed in the student's file. Further action may be taken if excessive absences continue.

BICYCLES

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

CAFETERIA

The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will be given an application for free and reduced lunches upon enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year.

Breakfast: Breakfast will be served each morning in the cafeteria. Students will not be permitted in the main building during breakfast unless under the supervision of a staff member.

Students may bring their lunches or they can choose from a regular lunch. Students are required to remain in the designated areas during lunch. All Chickasha Public School students, PK-8 eat both breakfast and lunch for free.

CHECKING IN AND OUT OF SCHOOL/ATTENDANCE

Students arriving after the first hour begins must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. **If your student will not be in attendance, please contact the school on the day of**

the absence. If your child needs to check out of school, please come to the office with identification to sign out your child.

CHEMICAL ABUSE POLICY

The use and unlawful possession of illicit drugs and/or alcohol is wrong and harmful. Disciplinary procedures will be strictly adhered to and mandatory for ALL students.

CHILD FIND NOTICE

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment including intellectual disabilities, multiple disabilities, orthopedic impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find students ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Tammy Swinburne at 405-222-6500.

CONDUCT OFF-SCHOOL PREMISES

School authorities have the power to discipline pupils for out-of-school conduct having a direct and immediate effect on the discipline, welfare, and effectiveness of the school- including but not limited to: *texting/social media, notes, or any other form of contact.* At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. A conference can be held with the site school counselor, an administrator, parent/guardian, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling will be implemented.

CONFERENCES

Conferences will be scheduled with teacher(s). In order to maintain open communication, parents are encouraged to attend with their student(s). Conference dates are determined by the district.

DRESS CODE/STUDENT APPEARANCE

General: There exists a correlation between the quality of a student's performance, conduct, and appearance. Therefore, all students are expected to be groomed and dressed appropriately. Clothing and grooming must be such that they do not constitute a health or safety hazard. Grooming and dress must not constitute a distraction or interfere with educational opportunities of other students.

Principals, in conjunction with sponsors, coaches, or other persons in charge of extracurricular activities, may regulate dress and grooming of students who participate in a particular activity if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals. Clothing normally worn when participating in a school-sponsored extracurricular or sports activity may be worn to school when approved by the sponsor or coach (i.e.: cheerleader outfits, pom team and band uniforms, team shirts).

If a student's dress or grooming is objectionable under the above provisions, the principal shall request the student to make appropriate corrections. If the student declines, the principal shall notify the student's parents or legal guardian and request that person to make the necessary correction. If both the student and parent or legal guardian refuse, the principal shall take appropriate disciplinary action. The principal's judgment concerning the appropriateness of clothing is final.

Students who violate provisions of the dress code and who refuse to correct the violation may be disciplined by removal or exclusion from extracurricular activities. In extreme cases, students may be suspended until the violation is corrected.

*Undergarments are not to be visible.

*Due to safety concerns, hoods on outdoor wear/hoodies cannot be worn.

*Vulgar speech and alcohol/drugs are not protected speech.

ELECTRONIC DEVICES

The school will not be responsible for searching for or replacing electronic devices that are brought to school. If brought, they will be confiscated and may be picked up in the office by the parent/guardian. If the problem reoccurs, the item will be confiscated and

will need to be picked up by the parent/guardian at the end of the semester. The student also may be given disciplinary action..

ELIGIBILITY

It is the policy of the Board of Education that only those students who are fully eligible scholastically will be permitted to represent the school in any capacity. (FM) Other than regular meetings and practices, a student must meet the guidelines prescribed by "Student Eligibility during a term" and "term grades".

Student Eligibility During a Term:

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. When a student is passing all subjects, he/she will become eligible at the beginning of the following eligibility week. The ineligibility period will begin on a Monday and end on a Sunday. Eligibility reports will be prepared Friday afternoon. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than Wednesday. Any work turned in after that designated time would not be counted for eligibility for the following week. The coach or sponsor will notify a student who is on probation or is ineligible. A sponsor, a director of an activity, or a coach of a sport will not be permitted to question any teacher about an ineligible or probationary student. It is the student's responsibility to confer with his/her teacher if there is a question about eligibility status. If the questions cannot be resolved, the matter may be referred to the principal, athletic director, or principal's designee.

EMERGENCY DRILLS

In order to be prepared for an emergency, administrators will conduct fire, tornado, lockdown, and intruder drills. As a safety precaution, emergency procedures will not begin until announced by a faculty member. Whenever an emergency procedure is conducted, students should conduct themselves in a safe and appropriate manner.

FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records that are maintained by the local school district. These rights include:

1. The right to inspect and review the student's education records within 45 days after the day the student's school receives a request for access.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FOOD OR DRINK

Students may not have food or drinks in the classrooms. Students may have clear bottles with water ONLY in classrooms.

FUNDRAISING CAMPAIGNS

The faculty sponsor, the principal, and the Board of Education must approve any methods or occasions of raising money by a student group. All club monies must be turned in to the financial secretary in the front office daily. Cash must not be left on the school premises overnight. Persons who collect monies will be responsible for the replacement of any monies unaccounted for, misplaced, lost or stolen. Parents and other support organizations are encouraged to have fundraisers other than door-to-door sales involving students as salespersons.

GRADE RETENTION OR COURSE FAILURE

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher/counselor and/or administrator conference. The decision of the Board shall be final.

[Board Policy ED Grading, Promotion, Retention, Graduation](#)

GRADING SYSTEM

At the end of the fifth week of each nine-week period, parents/guardians will receive a progress report and at the end of each nine-week period, each student will receive a report card. The letter grade will indicate the progress of the student in each class. See the grading scale below.

A	Superior quality of work (90-100)
B	Good quality of work (80-89)
C	Satisfactory quality or progress in terms of ability (70-79)
D	Below quality of work expected (60-69)
F	Unsatisfactory work (below 60)

Teachers will also contact parents by mail, phone or email when the student is having difficulty of any kind, which interferes with the educational process.

If a student does not pass 3 of 4 core classes for the year, he or she may be recommended for retention. Whenever a teacher or teachers recommend that a student be retained in a grade, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention appeals only following a required parent/teacher conference, and the decision of the Board shall be final.

GRIEVANCE PROCEDURE

The Chickasha School District recognizes that students and parents/guardians have a fundamental right to discuss grievances that they might have with the district. However, it is also recognized that there must be an orderly procedure for carrying out the grievances. The following steps constitute the procedure for students and parents/guardians:

1. If the grievance is directed toward a teacher, the parent should make an appointment to visit the teacher.
2. After this initial meeting, if the grievance is not settled, the parent should discuss the problem with the principal.
3. If the issue is not resolved, an appointment should be made with the superintendent or his/her designee.
4. After exhausting all of these available channels, the parents/guardians may appeal to the Board of Education. The Board's action shall be the final determination of the grievance.

GUIDANCE SERVICES

Please notify our counselor if a student is in need of special guidance services. They can be reached at 405-222-6520. You are encouraged to request any grade checks directly through your student's classroom teacher via email or through the student information system parent portal.

HEALTH SERVICES

If a student is ill, he/she is to report to the main office. If a student is under a physician's care and medication is prescribed during the school day, a note from the parent, along with the medication in the original prescription container, must be presented to the secretary in the main office.

Philosophy of the Health Services Department

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

HOMEWORK POLICY

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.
4. To develop initiative, independence, self-direction and responsibility.

5. To assist in developing good study habits.
6. To provide parents with opportunities to become aware of what is being taught in the classroom.

INCLEMENT WEATHER

Closure of school due to inclement weather conditions will be communicated in a number of ways. It is our goal to give parents as much notice as possible. Weather closings will be posted on our district website www.chickasha.k12.ok.us along with District and Site Facebook pages. It will be announced on KOOL 105.5 Radio and all major Oklahoma City TV Stations. The District will send out automated phone calls to the number listed as a student's primary contact. It is important for the school to have your current phone number in order to receive the call.

Parents and students are encouraged not to call the school so building administrators will be able to implement safety procedures.

INTERNET POLICY

Student Guidelines:

A. Remember that social media venues are very public and leave a digital footprint for all to see, including future employers. To protect yourself, please observe social media policy guidelines when referring to the district, its schools, students, programs, activities, employees, volunteers and communities on any social media networks.

Students will be held accountable for the content of their electronic communications in relation to school, staff and students that might harm or cause harm to another student or teacher, specifically that which constitutes bullying, harassment, threats or advocates or depicts illegal activity and/or causes a substantial disruption to the normal operations at school. Illegal behavior is subject to punishment as appropriate and available. Students who engage in cyberbullying also risk civil and/or criminal charges and/or lawsuits that may be filed against them by victims or victim's families. The district will fully cooperate with law enforcement agencies in any and all investigations involving students, electronic devices and social media.

C. Be safe online. Never give out personal information, including, but not limited to, last names, phone numbers, addresses, exact birthdates, and pictures.

E. Use of social media during the school day is prohibited unless specific permission has been granted by District.

Consequences for Violations of Social Media Policy: Reports of a violation of this policy may result in an investigation of the user's posts, files, internet usage, or other electronic/digital media. The investigation and its scope will be reasonable, calculated to disclose the existence and nature of the alleged violation. If warranted, consequences will be determined in accordance with the collective bargaining agreements and state and federal laws, considering the type of violation, past history, and level of the user.

Consequences may include, but are not limited to the following:

A. Loss of internet access (while on school property) and/or network access, for a determined amount of time according to the offense.

B. Student offenses will include notifying the student's parent/guardian of an incident and possible disciplinary action appropriate to the severity of the offense.

LIBRARY

Library Materials: District's library shall make available materials of sound literary quality and authority. District does not promote censorship and will challenge efforts at censorship in order to maintain District's responsibility to provide information which is educational and enlightening. Teachers and librarians may select library materials which provide various points of view on controversial subjects and which are intended to meet the needs and interests of the students. Proposed library materials will be examined to determine which materials meet the grade and interest level at which they are to be used. Proposed library materials will be considered in relation to the curriculum and to the personal interests of the students. Materials which contain incidents of sex or profanity shall not automatically be excluded. The Administration shall develop appropriate Regulations which address criteria for selection and guidelines for reconsideration of library materials.

Personal belongings and books should be marked with the student's name. Should a student lose a book or personal belongings, he/she should first check with teachers and friends. If the item is not located, the student should check in the main office. Students are responsible for replacing missing text and library books checked out to them. Any lost textbooks or library books will need to be paid for by the student before being issued another book. Proof of receipt will enable student to be issued another textbook. At the end of the school year, any lost textbooks and/or library books may result in report cards being withheld from students and parents.

MAKE-UP WORK

Students are given two days for each day absent to make-up work. **Requesting make-up work for absences is the responsibility of the student.** Any work missed due to an absence or participation in a school activity will be made up by the student. All make-up work turned in on time will be graded. If a student is **absent for three or more days**, assignments may be requested by the parent through the main office.

Medication

Medication may be administered to students as prescribed by law. For purposes of this policy, medication or medicine includes prescription medication as well as over-the-counter medicines. A student who has a legitimate health need for a medicine shall deliver the medicine to the principal or the principal's designee in its original container with the written authorization of the student's parent or guardian for administration of the medicine. The parent's authorization must identify the student, the medicine, and include or refer to the label for instructions on administration of the medicine. The medicine will be administered to the student according to the directions for use on the label for

over-the-counter medications or the physician's prescription. Forms for parental authorization of administration of medicines are available in the office of the principal.

In the event that a student is believed to be having an anaphylactic reaction or respiratory distress, a school employee shall contact 911 as soon as possible.

The school shall keep a record of the students to whom medicine is administered, the date of administration, the person who administered the medicine, and the name or type of medicine administered. The records shall remain confidential and shall not be divulged except as required by law.

UNAUTHORIZED LOCATION/ACCOMPLICE

Any student determined to be accompanying a student who has committed an act which violates a policy in the handbook, is subject to the same disciplinary action as the student who has committed the act. The student is considered an accomplice of the student who commits the violation.

VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. (GJ) The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.
- Any visitor to the school must report to the office of the principal upon arrival at the school to sign in and receive a visitor's pass.
- Teachers are not expected to take class time to discuss individual matters with visitors.

School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

The superintendent or principal of any school shall have the authority to order any person out of the school building and off the school property when the person interferes with the peaceful conduct of activities at the school. The school Resource Officer will issue a notice to vacate to any person who is requested to leave any school property, function or event and will be unable to return to the premises without the written permission of the administration for a period of six months. Any person who refuses to leave the school building or grounds after being ordered to do so by the superintendent or principal, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$500.00 or by imprisonment in the county jail for not more than 90 days, or by both such fine and imprisonment.

VOLUNTEERS

Parents are always welcome to attend events, programs, and celebrations with their child. However, school volunteers must submit a completed volunteer application and volunteer agreement. Both of these forms are located on the district website. Your child's school or the CPS administration office (900 West Choctaw) can provide hard copies. To be an "approved" volunteer, background records will be checked. Also, the application and

agreement must be updated and resubmitted every other school year. Only approved volunteers will be allowed to be alone with any student or group of students.

DISCIPLINE POLICY

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which a safe atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office. Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.

DISCIPLINARY ACTIONS

In considering the different forms of disciplinary action, the faculty and administration of the school district will consider the following actions. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The Board of Education will rely on the judgment and discretion of the administration and/or faculty member to determine the appropriate remedial or corrective action in each instance.

Detention

A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

- (A) **Teacher Assigned Lunch Detention** - Lunch Detention will be held in the assigning teacher's classroom. Students may bring lunch or purchase lunch from the cafeteria. Students must bring books and work.
- (B) **Regular Lunch Detention** - This detention is assigned by an administrator.

In-School Suspension (ISS)

The objective of this program is to provide an alternative to out-of-school suspension for those students who fail to function acceptably in the education setting. ISS is in lieu of the regular day. For a student to be placed in ISS, parental contact will be made. The student will sign a procedural contract so there is no misunderstanding about the intent of the ISS Program and its policies/procedures. Failure to follow the policies of ISS will result in immediate out-of-school suspension. Any student placed in ISS will not be allowed to participate in any school activities until their time is completed. Students may only participate in practice times that are outside of the normal school hours.

SUSPENSIONS

(Removal of a student from school and all school functions for a specific period of time). The principal or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and/or verbally, when possible, of the suspension. Students upon returning to school from suspension will be required to meet with the school counselor for strategies to keep from repeating the behavior.

CLASS ASSIGNMENTS DURING SUSPENSION

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.

ALCOHOL AND/OR DRUG ABUSE/POSSESSION (INCLUDING PARAPHERNALIA)

The use and unlawful possession, sale, purchase of illicit drugs, distribution of over the counter drugs and/or alcohol, or the intent thereof, is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL Lincoln School Intermediate students.

Student suspension for alcohol and/or drug abuse:

"Whenever it appears to any public school teacher that a student may be under the influence of intoxicating beverages as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or a controlled dangerous substance as defined in Section 2-101 of Title 63 of the Oklahoma Statutes, the teacher shall report the matter, upon recognition to the school principal or his/her designee. If the student is found to be under the influence, selling, or purchasing illegal drugs/alcohol, or has the intent to do so, the principal or designee shall immediately notify the Superintendent of Schools or designee and a parent or legal guardian of the student of the matter." (Reference O.S. 70-24-138).

Under the Influence: If a student is suspected of being under the influence of Drug/Alcohol because of odor or residue on the breath or clothing, they will be disciplined according to the following. The principal will inform the parent(s) both verbally, when possible, and by letter, that the student has been suspended for alcohol and/or drug use. A student who is a 2nd time offender will receive a longer suspension.

For suspensions greater than 20 days - During the conference with the principal, or his/her designee, the Substance Awareness Intervention Program of the district will be explained to the student and parent(s). The student and parent(s) will be requested to participate in one or more of the programs: Youth Services, Great Plains Outreach Clinic, Grady County Guidance Center or other mutually agreed upon agencies. The district will not be responsible for any financial obligations with these agencies. Following the conference with the principal or his/her designee, the principal will decide if circumstances merit a deferment of the remainder of the suspension beyond ten (10) days and a conditional early readmission of the student, if the following is completed:

1. The student must be involved in or enrolled in counseling with the district LPC counselor, outside counselor, or agency approved by the school. Parental involvement, although not required, is strongly requested. During the period of counseling, reports are to be signed by the counselor.

Counseling, upon successful completion, would be terminated by the counselor. A statement of release, signed by the counselor, must be submitted to the principal. Probationary status would include the student's signing and abiding by a contract stating that he/she understands that violations of school rules which would normally lead to a short-term suspension will cause probationary status to be lifted and the original suspension reinstated.
