# GENERAL SCHOOL INFORMATION

## ACTIVITIES

One of the goals of Chickasha High School is to provide every student the opportunity to participate in school related activities. We encourage each student to become active in the opportunities at Chickasha High School. The Oklahoma Secondary Schools Activity Association governs all of our competitive activities. See eligibility section for specific eligibility rules.

## ASSEMBLIES

Assemblies at Chickasha High School are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. Students are expected to act respectful at the assembly and to any guest to the Chickasha High School campus.

## ATHLETICS

It is strongly believed by the teachers and coaches at Chickasha High School that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes.

## ATTENDANCE POLICY

Please contact the Attendance secretary the morning of a student's absence at **405-222-6550**. Any student in grades 9, 10, 11, or 12 with ten (10) absences in any semester period, exclusive of any authorized activity absence, will receive no credit for that semester. In some instances, there may be extenuating circumstances (extended illness or hospital/home confinement confirmed by a doctor's statement, home emergencies, etc.) in which this policy may be waived.

### **Absences:**

There are three (3) kinds of absences: **Excused, Unexcused, and Permitted**. An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made on the day of the absence:
  - Illness
  - Doctor or dentist appointment
  - Funerals
  - Emergencies (Family)
  - Recognized religious holidays
  - Statements or appointment cards from a doctor or dentist must be presented to the Attendance Office.
2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. **It is the responsibility of the parent or guardian to call in on time.**

### **Absence Notification:**

Warning letter signed by secretary, sent to parent/guardian at 5 absences. Copy placed in student's file.

## BACKPACKS

You will need a backpack this year to provide a place for your phone. Phones are NOT allowed on you or in a pocket this year in class or in the hallway.

## BICYCLES

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

## CAFETERIA Meals are NOT free this year for students

The USDA began providing free meals to students during the pandemic beginning 2020. On June 30, 2022, the USDA chose to end the waiver that provided free meals to students and families since 2020.

Therefore, students at Chickasha High School will have to purchase their breakfast and lunch meals this school year beginning with the 2022-2023 school year. There are many families in the community that qualify for free or reduced-price school meals but may not be receiving these financial benefits.

Children in households that receive SNAP (formerly known as food stamps), TANF or FDPIR, and most foster children, can receive free meals by completing a program application. We treat your student's participation in the free or reduced price meals program as highly confidential. Any family who qualifies (by income) can receive free or reduced-price meals.

Even if you do not wish to have your child participate in the free or reduced-price meals program, we are having ALL families complete the application during the enrollment process. The completion of the forms can benefit the district through at-risk funding. If your income changes at any time, you are welcome to re-apply for free or reduced-price meals. If your student is approved for free or reduced-price meals, we encourage you and your family to take advantage of this valuable benefit, which helps stretch your family budget.

**IMPORTANT NOTE:** Applications for this program must be completed every school year.

Student information related to this program is highly confidential. All students eating school meals receive the same meals etc. Currently Chickasha Public Schools Pre-K through 8th grades are eligible for the Community Eligibility Provision (CEP) which is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

For any questions please contact your school lunch fund attendant, principal, or the food department at 405-222-6573 for more information.

**Breakfast:** Breakfast will be served starting at 7:10 a.m. each morning in the cafeteria.

**Lunch:** Lunch will be served each day according to the schedule below.

<b>Breakfast</b>	<b>Reduced</b>	<b>Full Price</b>	<b>Lunch</b>	<b>Reduced</b>	<b>Full Price</b>
	\$0.30	\$1.80		\$0.40	\$3.15

Students may bring their lunches or they can choose from a regular lunch. Only free and reduced students eat lunch for free at the High School. . If they choose to purchase something from the a-la-carte line students are responsible for that price.

#### **CHECKING IN AND OUT OF SCHOOL/ATTENDANCE**

Students arriving after the first hour begins must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. If a student is more than fifteen (15) minutes late to class, this will be considered an absence for that period. **If your student will not be in attendance, please contact the school on the day of the absence.**

#### **CHILD FIND NOTICE**

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment including intellectual disabilities, multiple disabilities, orthopedic impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find students ages 3 through 21 who may have disabilities and who are not currently receiving services. #### **CLOSING OF SCHOOL - BAD WEATHER**

Dismissal of school due to bad weather conditions will be announced by 6:30 a.m. on KOOL 105.5 Radio and the major Oklahoma City TV Stations. Closure of school will also be announced on the

At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. A conference can be held with the site school counselor, an administrator, parent/guardian, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling will be implemented

Specific eligibility rules refer to the 2022-2023 OSSAA Rules Manual.

#### **Student Eligibility During a Term:**

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. ### **Philosophy of the Health Services Department**

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

### **HOMEWORK POLICY**

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.
4. To develop initiative, independence, self-direction and responsibility.
5. To assist in developing good study habits.

### VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.
- Any visitor to the school must report to the office of the principal upon arrival at the school to sign in and receive a visitor's pass.
- Parents or citizens wishing to observe a classroom while school is in session are requested to arrange such visits in advance with the principal so that class disruptions are minimized.
- Teachers are not expected to take class time to discuss individual matters with visitors.
- School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

### Withdrawal From School

If you are moving and your child will no longer be attending this school, please let us know. All district owned books, supplies, equipment, etc. must be returned to the teacher that distributed them. A clearance slip with the appropriate teachers' signatures must be returned to the principal's office.

### DISCIPLINE POLICY

**THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.**

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office. Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

### DISCIPLINARY ACTIONS

In considering the different forms of disciplinary action, the faculty and administration of the school district will consider the following actions. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The Board of Education will rely on the judgment and discretion of the administration and/or faculty member to determine the appropriate remedial or corrective action in each instance.

- Conference with student
- Conference with parent
- In-School Restriction - In a room with a teacher, student may practice or attend event after school hours.
- Lunch Detention
- Referral to counselor
- Behavioral contract

- Requiring a student to clean or straighten items or facilities damaged by their behavior
- Restriction of privileges
- Referral to the police and/or other law enforcement officials
- Referral for counseling to community agencies

- Other appropriate disciplinary action as required and indicated by the circumstances

\*\* In case of serious offenses, such as fighting, weapons, etc, authorities will be contacted and the students involved could be arrested.

## EXPLANATION OF HIGH SCHOOL DISCIPLINARY CONSEQUENCES

**Behavioral Contract** This is a written agreement between the student and teacher/administrator defining specific acceptable behavior patterns to be followed by the student, and the penalties to be assessed if the student fails to comply with the procedures outlined in the contract.

**Detention** A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

(A) **Teacher Assigned Lunch Detention** - Lunch Detention may be held in the assigning teacher's classroom. Teacher will let student know when to meet and what to bring.

(B) **Regular Lunch Detention** - This detention is assigned by an administrator or teacher and will be used for tardies. This detention is held in the ISS/ISR room.

**In-School Restriction (ISR)** The objective of this program is to provide an alternative to out-of school suspension for those students who fail to function acceptably in the education setting. ISR is in lieu of the regular day. Students will receive work from each of their classes and be held accountable for completing work. It will be turned in to their teacher at the end of the day. An Assistant Principal will place a student in ISR, and parental contact will be made. Failure to follow the policies of ISR will result in immediate out-of-school suspension. Students placed in ISR may not play in any competition games or competitive activities. Students may be allowed to practice in after school practices starting at 2:50 p.m.

**Suspension** (Removal of a student from school and all school functions for a specific period of time). The principal, assistant principals or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and verbally, when possible, of the suspension. Students suspended from school will be placed on an Education Plan and work will be provided for pick-up in the front office. It is the parent and students responsibility to pick up the work, complete it, and turn it in to the front office in a timely manner.

### CLASS ASSIGNMENTS DURING SUSPENSION

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. **Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.**

### APPEALS PROCESS

**Appeal of Short Term Suspensions (Board Policy EK):** A student suspended for a period of ten (10) or fewer school days, following an informal pre-suspension conference with principal or designee, may appeal the suspension as follows:

A) An appeal to the Principal must be requested in writing to and received by the school principal or designee within two (2) calendar days after the principal's or designee's suspension decision is received by the student or parent and must specify what part of the out-of-school suspension decision is being appealed. The parent/student may appeal one or both of the following:

- a. The finding of guilt of the charge(s) by the principal or designee for which the student was suspended; and/or
- b. The reasonableness and length of the suspension.

B) The suspension decision will become final and unappealable if a request for appeal is not timely submitted.

C) Upon receipt of the request for an appeal, the Principal shall confirm the suspension falls within the category of suspensions to which an appeal to the Site Committee is authorized. If the Principal or designee determines the period of suspension is greater than ten (10) school days, or if for any reason, the short-term suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to long-term suspensions must be followed and the student must be given the opportunity to appeal any adverse decision as provided by this policy for long-term suspensions.

D) The Principal or designee shall appoint a Site Committee to hear the appeal. The Site Committee shall consist of not less than three District employees, who shall be a minimum of two teachers assigned to the school site and an administrator or counselor not involved with the suspension of the student. The Site Committee shall designate a chairperson. No administrator or teacher who witnessed the misconduct or any teacher teaching the student during the current semester shall serve on the Site Committee.

E) The short-term appeal must be submitted in writing that includes all reasons, rationale, and facts that are deemed appropriate as to the nature of the appeal.

F) The Site Committee will conduct a full review of the issues appealed. The appeal review will include policies or regulations related to the student's misconduct; read, refer to, or distribute the policy, rule or regulation which the student's misconduct violated; and any statements or submit documentary evidence which support the suspension decision. The student or parent will explain the student's position and/or make statements or submit documentary evidence relating to the appealed issues in writing.

G) Evidence by witnesses shall be submitted to the Site Committee in writing only. For evidence supplied by student witnesses, the Site Committee shall have the authority to restrict the identity of the student witnesses. In this case, the Principal or designee will inform the Site Committee of the information received from students and explain why the Principal or designee believes that information received is valid and supports the suspension decision.

H) The Site Committee meeting is closed to the public.

I) Legal counsel is permitted to provide information and documentation for the appeals process that can be reviewed by the Site Committee.

J) At the conclusion of the review of the evidence, the Site Committee shall render a decision by a majority vote and such decision is final and not appealable. The Site Committee's decision shall be to uphold, modify, or revoke the suspension decision of the Principal or designee as to the guilt or innocence of the student and/or the reasonableness and length of the out-of-school suspension, depending on the issues appealed. The Site Committee's decision shall be in writing and mailed, e-mailed or delivered to the parent, the Principal and the Superintendent. The decision of the Site Committee is final and non-appealable.

**Appeal of Long- Term Suspensions (Board Policy EK):** A parent or student may appeal the suspension decision for a suspension in excess of ten (10) school days first to a District Review Committee then to the Board as follows:

**Step 1:** If the suspended student and/or his/her parents are not satisfied with the principal's ruling regarding a **suspension of more than ten (10) days**, they may appeal to the superintendent of schools, in writing, within 48 hours of the principal's decision. The Superintendent of Schools, or his designee, will schedule a level 2 appeal within 5 days of receiving the request. The student and/or parent/guardian will have an opportunity to present his/her case to the Superintendent or designee regarding the incident. The Superintendent shall provide written determination of his/her decision within 5 days of the hearing.

**Step 2:** If the suspended student and/or his/her parents are not satisfied with the decision of the Superintendent from the level 2 appeal, they may appeal to the Board of Education.

At Board hearings for suspensions of more than ten (10) days, the student(s) and his/her parent(s) or legal guardian(s) will have the opportunity to present his/her side of the case and question any witnesses present at the time of the hearing. The student may or may not be represented by legal counsel. The parent(s) or guardian(s) must be present at all hearings unless the student is self-supporting. All necessary school personnel will be present at the hearing to present the school's position. If the parent(s) or guardian(s) of the student does not request a due process hearing, the determination of the recommendation will be based on the information available at the time. A written decision will be provided to the parent upon the Board of Education's determination. The decision of the Board of Education is final.

### **LEGAL AUTHORITY FOR SUSPENSION**

**Authority to Suspend:** A principal or his/her designee has the initial responsibility and authority to suspend a student. In buildings where assistant principals are not provided and the principal is absent, the superintendent or his/her designee or another principal from one of the district's schools, shall come to the school where a student is presenting a discipline problem, assist in the resolution of the problem and be authorized to make suspensions in the absence of the principal. (Reference: O.S. 70-24-102)
