GENERAL SCHOOL INFORMATION

In our efforts to uphold the Fightin' Chick standard; ensuring our schools are safe, welcoming and purposeful learning environments, we strive to encourage our students to achieve their academic potential while also behaving with good character. At Chickasha Public Schools the focus is on teaching and encouraging appropriate behavior in all areas of the school, concentrating on the instruction of the 3Rs: Respect, Responsibility, and Readiness. Students who are respectful, responsible and ready act appropriately so they maximize their learning opportunities and do not detract or interfere with the learning opportunities of their classmates. Students are actively involved in learning what the 3Rs mean and look like in all areas of our school through activities, lessons, demonstrations, videos and role-playing. In addition to learning the 3Rs teachers and staff will recognize and reward students for better-than-expected behavior. Rewards for these positive behaviors can include but are not limited to: verbal praise, phone calls to parents and special privileges throughout the school. These rewards will be given when students are found in the act of exceptional behavior.

ASSEMBLIES

Assemblies at Chickasha High School are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. Students are expected to act respectful at an assembly and to any guest to the Chickasha High School campus.

ATHLETICS

It is strongly believed by the teachers and coaches at Chickasha High School that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes.

ATTENDANCE POLICY

Please contact the Attendance secretary the morning of a student's absence at 405-222-6550. In accordance to the State of Oklahoma school laws and the definition of chronic absenteeism, students must be present at a minimum of 90% of the time in order to complete/receive credit for that class. Chickasha Public Schools' instructional calendar consists of 168 school days. Therefore, a student may not miss more than 16 days throughout the entire school year.

It shall be unlawful for a parent, guardian, or other person having custody of a child who is over the age of five and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school. 70 O.S. Section 10-105

Please contact the Attendance secretary the morning of a student's absence at 405-222-6550. Any student in grades 9, 10, 11, or 12 with ten (10) absences in any semester period, exclusive of any authorized activity absence, will receive no credit for that semester. In some instances, there may be extenuating circumstances (extended illness or hospital/home confinement confirmed by a doctor's statement, home emergencies, etc.) in which this policy may be waived.

Absences:

There are three (3) kinds of absences: **Excused, Unexcused, and Permitted.**
An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made on the day of the absence:
 - Illness
 - Doctor or dentist appointment
 - Funerals
 - Emergencies (Family)
 - Recognized religious holidays
 - Statements or appointment cards from a doctor or dentist must be presented to the Attendance Office.
2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. **It is the responsibility of the parent or guardian to call in on time.**

Absence Notification:

Warning letter signed by secretary, sent to parent/guardian at 5 absences. Copy placed in student's file.

Checking in and out of school

Students arriving after the first hour begins must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. If a student is more than fifteen (15) minutes late to class, this will be considered an absence for that period. This is being updated in September. If your student will not be in attendance, please contact the school on the day of the absence.

BACKPACKS

Mesh backpacks are preferred on campus.

BICYCLES

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

CAFETERIA Meals are NOT free for high school students

The USDA began providing free meals to students during the pandemic beginning 2020. On June 30, 2022, the USDA chose to end the waiver that provided free meals to students and families since 2020. Therefore, students at Chickasha High School will have to purchase their breakfast and lunch meals this school year beginning with the 2022-2023 school year. There are many families in the community that qualify for free or reduced-price school meals but may not be receiving these financial benefits.

Children in households that receive SNAP (formerly known as food stamps), TANF or FDPIR, and most foster children, can receive free meals by completing a program application. We treat your student's participation in the free or reduced price meals program as highly confidential. Any family who qualifies (by income) can receive free or reduced-price meals.

Even if you do not wish to have your child participate in the free or reduced-price meals program, we are having ALL families complete the application during the enrollment process. The completion of the forms can benefit the district through at-risk funding. If your income changes at any time, you are welcome to re-apply for free or reduced-price meals. If your student is approved for free or reduced-price meals, we encourage you and your family to take advantage of this valuable benefit, which helps stretch your family budget.

IMPORTANT NOTE: Applications for this program must be completed every school year.

Student information related to this program is highly confidential. All students eating school meals receive the same meals etc. Currently Chickasha Public Schools Pre-K through 8th grades are eligible for the Community Eligibility Provision (CEP) which is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

For any questions please contact your school lunch fund attendant, principal, or the food department at 405-222-6573 for more information.

Breakfast: Breakfast will be served starting at 7:45 a.m. each morning in the cafeteria.

Lunch: Lunch will be served each day according to the schedule below.

10th - 12th Grade Lunch	10:44 - 11:26

At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. DRESS CODE/STUDENT APPEARANCE

General: There exists a correlation between the quality of a student's performance, conduct, and appearance. Therefore, all students are expected to be groomed and dressed appropriately. Clothing and grooming must be such that they do not constitute a health or safety hazard. Grooming and dress must not constitute a distraction or interfere with educational opportunities of other students.

Principals, in conjunction with sponsors, coaches, or other persons in charge of extracurricular activities, may regulate dress and grooming of students who participate in a particular activity if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals. Clothing normally worn when participating in a school-sponsored extracurricular or sports activity may be worn to school when approved by the sponsor or coach (i.e.: cheerleader outfits, pom team and band uniforms, team shirts).

If a student's dress or grooming is objectionable under the above provisions, the principal shall request the student to make appropriate corrections. If the student declines, the principal shall notify the student's parents or legal guardian and request that person to make the necessary correction. If both the student and parent or legal guardian refuse, the principal shall take appropriate disciplinary action. The principal's judgment concerning the appropriateness of clothing is final.

Students who violate provisions of the dress code and who refuse to correct the violation may be disciplined by removal or exclusion from extracurricular activities. In extreme cases, students may be suspended until the violation is corrected.

- Undergarments should not be visible.
- Vulgar speech and alcohol/drugs are not protected by free speech.
- Student dress may not display anything that may represent or promote an act of violence such as weapons
- Students may not wear anything that may be associated as part of a costume such as masks, fake ears, tails etc.
- Due to safety concerns hoods on outerwear can not be worn.

ELECTRONIC DEVICES

Electronic devices should be left at home. The school will not be responsible for or replacing such items that are brought to school.

ELIGIBILITY

It is the policy of the Board of Education that only those students who are fully eligible scholastically will be permitted to represent the school in any capacity. Board Policy (EE). Other than regular meetings and practices, a student must meet the guidelines prescribed by "Student Eligibility during a term" and "term grades". Specific eligibility rules refer to the 2023-2024 OSSAA Rules Manual.

Student Eligibility During a Term:

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. When a student is passing all subjects, he/she will become eligible at the beginning of the following eligibility week. The ineligibility period will begin on a Monday and end on a Sunday. Eligibility reports will be prepared Sunday afternoon. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than Wednesday. Any work turned in after that designated time would not be counted for eligibility for the following week. The coach or sponsor will notify a student who is on probation or is ineligible. A sponsor, a director of an activity, or a coach of a sport will not be permitted to

question any teacher about an ineligible or probationary student. It is the student's responsibility to confer with his/her teacher if there is a question about eligibility status. If the questions cannot be resolved, the matter may be referred to the principal, athletic director, or principal's designee.

EMERGENCY DRILLS

In order to be prepared for an emergency, administrators will conduct fire, tornado, lockdown, and intruder drills. As a safety precaution, emergency procedures will not begin until announced by a faculty member. Whenever an emergency procedure is conducted, students should conduct themselves in a safe and appropriate manner.

EXTRA-CURRICULAR ACTIVITIES: Students who are failing a class will not be permitted to attend extracurricular events, such as football, basketball games etc.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records that are maintained by the local school district. These rights include:

1. The right to inspect and review the student's education records within 45 days after the day the student's school receives a request for access.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:
Family Policy Compliance Office
U. S. Department of Education

Outside Meal deliveries (doordash, etc)

May only occur during designated lunch times and must be delivered to the front office only.

FUNDRAISING CAMPAIGNS

The faculty sponsor, the principal, and the Board of Education must approve any methods or occasions of raising money by a student group. All club monies must be turned in to the financial secretary in the front office daily. Cash must not be left on the school premises overnight. Persons who collect monies will be responsible for the replacement of any monies

unaccounted for, misplaced, lost or stolen. Parents and other support organizations are encouraged to have fundraisers other than door-to-door sales involving students as salespersons.

GRADE RETENTION OR COURSE FAILURE

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher/counselor and/or administrator conference. The decision of the Board shall be final.

GRADING SYSTEM

At the end of the fifth week of each nine-week period, parents/guardians will receive a progress report and at the end of each nine-week period, each student will receive a report card. The letter grade will indicate the progress of the student in each class. See the grading scale below.

A	Superior quality of work (90-100)
B	Good quality of work (80-89)
C	Satisfactory quality or progress in terms of ability (70-79)
D	Below quality of work expected (60-69)
F	Unsatisfactory work (below 60)

Teachers will also contact parents by mail, phone or email when the student is having difficulty of any kind, which interferes with the educational process. See Credits Needed

GRIEVANCE PROCEDURE

The Chickasha School District recognizes that students and parents/guardians have a fundamental right to discuss grievances that they might have with the district. However, it is also recognized that there must be an orderly procedure for carrying out the grievances. The following steps constitute the procedure for students and parents/guardians:

1. If the grievance is directed toward a teacher, the parent should make an appointment to visit the teacher.
2. After this initial meeting, if the grievance is not settled, the parent should discuss the problem with the principal.
3. If the issue is not resolved, an appointment should be made with the superintendent or his/her designee.

HALLWAYS

Students are expected to behave appropriately in the hallways, therefore, hallways will be monitored by teachers and staff during "passing" periods. Safety is our main concern. Students should walk on the right side of the hall.

HEALTH SERVICES

If a student is ill, he/she is to report to the main office. If a student is under a physician's care and medication is prescribed during the school day, a note from the parent, along with the medication in the original prescription container, must be presented to the secretary in the main office.

Philosophy of the Health Services Department

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

HOMEWORK POLICY

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.
4. To develop initiative, independence, self-direction and responsibility.
5. To assist in developing good study habits.
6. To provide parents with opportunities to become aware of what is being taught in the classroom.

ILLNESS

Students with a temperature above 100.0 must go home and not return until they have been free of fever for 24 hours. Students who are experiencing vomiting or diarrhea must also wait 24 hours before returning to school. When students are sick, they should remain at home to keep infection from spreading. This does not include sniffles and coughs due to allergies. Any student with a contagious disease, including staff infection, will be prohibited from attending classes, activities and/or events at Chickasha Public Schools. They cannot re-enter school until treatment and verification that the student is not still infected.

Parents will be contacted if their child becomes ill or has a medical emergency during the school day. If parents cannot be reached, the emergency numbers will be called. Please be sure that your child's emergency information is correct.

INCLEMENT WEATHER

Closure of school due to inclement weather conditions will be communicated in a number of ways. It is our goal to give parents as much notice as possible. Weather closings will be posted on our district website www.chickasha.k12.ok.us along with District and Site Facebook pages. It will be announced on KOOL 105.5 Radio and all major Oklahoma City TV Stations. The District will send out automated phone calls to the number listed as a student's primary contact. It is important for the school to have your current phone number in order to receive the call.

Parents and students are encouraged not to call the school so building administrators will be able to implement safety procedures.

VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.
- Any visitor to the school must report to the office of the principal upon arrival at the school to sign in and receive a visitor's pass.
- Parents or citizens wishing to observe a classroom while school is in session are requested to **arrange such visits in advance with the principal** so that class disruptions are minimized.
- Teachers are not expected to take class time to discuss individual matters with visitors.
- School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

A clearance slip with the appropriate teachers' signatures must be returned to the principal's office.

DISCIPLINE POLICY

THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office.

Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

DISCIPLINARY ACTIONS

DETENTION A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

(A) **Teacher Assigned Lunch Detention** - Lunch Detention may be held in the assigning teacher's classroom. Teacher will let student know when to meet and what to bring.

(B) **Regular Lunch Detention** - This detention is assigned by an administrator and may be used for tardies etc.. This detention may be held in a classroom or the ISR room.

(C) **After School Detention** - This detention is assigned by an administrator and may be used for tardies etc.. This detention may be held in a classroom or the ISR room.

IN-SCHOOL SUSPENSION (ISS) The objective of this program is to provide an alternative to out-of school suspension for those students who fail to function acceptably in the education setting. ISS is in lieu of the regular day. Students will receive work from each of their classes and be held accountable for completing work. It will be turned in to their teacher at the end of the day. An Assistant Principal will place a student in ISS, and parental contact will be made. Failure to follow the policies of ISS will result in immediate

out-of-school suspension. Students placed in ISS may not play in any competition games or competitive activities. Students may be allowed to practice in after school practices starting at 3:20 p.m.

SATURDAY SCHOOL Students who are assigned Saturday school will report to the front of the building by 8:00 am. Saturday school will run from 8:00 am - 11:00 am. Students must be on time in order to fulfill their Saturday school consequence.

SUSPENSION (Removal of a student from school and all school functions for a specific period of time). The principal, assistant principals or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and verbally, when possible, of the suspension. Students suspended from school will be placed on an Education Plan and work will be provided for pick-up in the front office. It is the parent and students responsibility to pick up the work, complete it, and turn it in to the front office in a timely manner.

CLASS ASSIGNMENTS DURING SUSPENSION

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. **Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.**

APPEALS PROCESS

Appeal of Short Term Suspensions (Board Policy EK): A student suspended for a period of ten (10) or fewer school days, following an informal pre-suspension conference with principal or designee, may appeal the suspension as follows:

- A) An appeal to the Principal must be requested in writing to and received by the school principal or designee within two (2) calendar days after the principal's or designee's suspension decision is received by the student or parent and must specify what part of the out-of-school suspension decision is being appealed. The parent/student may appeal one or both of the following:
- a. The finding of guilt of the charge(s) by the principal or designee for which the student was suspended; and/or
 - b. The reasonableness and length of the suspension.
- B) The suspension decision will become final and unappealable if a request for appeal is not timely submitted.
- C) Upon receipt of the request for an appeal, the Principal shall confirm the suspension falls within the category of suspensions to which an appeal to the Site Committee is authorized. If the Principal or designee determines the period of suspension is greater than ten (10) school days, or if for any reason, the short-term suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to long-term suspensions must be followed and the student must be given the opportunity to appeal any adverse decision as provided by this policy for long-term suspensions.

D) The Principal or designee shall appoint a Site Committee to hear the appeal. The Site Committee shall consist of not less than three District employees, who shall be a minimum of two teachers assigned to the school site and an administrator or counselor not involved with the suspension of the student. The Site Committee shall designate a chairperson. No administrator or teacher who witnessed the misconduct or any teacher teaching the student during the current semester shall serve on the Site Committee.

E) The short-term appeal must be submitted in writing that includes all reasons, rationale, and facts that are deemed appropriate as to the nature of the appeal.

F) The Site Committee will conduct a full review of the issues appealed. The appeal review will include policies or regulations related to the student's misconduct; read, refer to, or distribute the policy, rule or regulation which the student's misconduct violated; and any statements or submit documentary evidence which support the suspension decision. The student or parent will explain the student's position and/or make statements or submit documentary evidence relating to the appealed issues in writing.

G) Evidence by witnesses shall be submitted to the Site Committee in writing only. For evidence supplied by student witnesses, the Site Committee shall have the authority to restrict the identity of the student witnesses. In this case, the Principal or designee will inform the Site Committee of the information received from students and explain why the Principal or designee believes that information received is valid and supports the suspension decision.

H) The Site Committee meeting is closed to the public.

I) Legal counsel is permitted to provide information and documentation for the appeals process that can be reviewed by the Site Committee.

J) At the conclusion of the review of the evidence, the Site Committee shall render a decision by a majority vote and such decision is final and not appealable. The Site Committee's decision shall be to uphold, modify, or revoke the suspension decision of the Principal or designee as to the guilt or innocence of the student and/or the reasonableness and length of the out-of-school suspension, depending on the issues appealed. The Site Committee's decision shall be in writing and mailed, e-mailed or delivered to the parent, the Principal and the Superintendent. The decision of the Site Committee is final and non-appealable.

The District Review Committee's decision shall be to uphold, modify, or revoke the suspension decision of the principal or designee.
- (l) The hearing chair shall mail, e-mail, or deliver a copy of District Committee's decision to the parent/student and site principal. The District Review Committee's written decision shall be mailed to the parent by certified mail, return receipt requested. The parent/student may appeal one or both of the following:

1) The finding of guilt of the charge(s) by the principal or designee for which the student was suspended; and/or

(p) Each Board member shall review the information individually.

(q) At the next available Board meeting, an agenda item shall be placed on the agenda to consider and vote on the appeal of the long-term suspension. Board members may vote on the appeal based on their review of the record.

(r) If, at the meeting, the Board wants to discuss the appeal among each other, it must be discussed in open meeting unless the student or parent(s) requests such discussion to be in executive session.

(s) The Board shall render a decision by voting to uphold, modify, or revoke the decision of the District Review Committee.

(t) As soon as possible after the review and/or hearing, the Clerk of the Board shall provide the decision to the parent, student and principal in writing, setting forth the decision of the Board related to upholding, overturning, or modifying the decision of the District Review Committee. The behavior is repeated, or has the potential to be repeated, over time. "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person; damage another person's property; place another person in reasonable fear of harm or damage to his/her property; insult or demean any person or group in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include but are not limited to, gestures, verbal, written, or physical assaults. Such behavior is prohibited by board policy.

There are four (4) types of bullies characterized. They are:

1. Physical bullies who often hit, kick or shove others;
2. Verbal bullies who use words to harm others through name-calling, insulting, making racist comments or harsh teasing;

4. Reactive bullies who are individuals who are often both bully and victim. Typically victims first respond to victimization with bullying behavior.

Additional Procedures Related to Bullying: It is District's policy that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the District. The Administration will develop and implement appropriate regulations regarding bullying.

See board regulation E1-R1 below for more detailed information:

This does not preclude the student's right to a hearing. It does, however, allow for the immediate removal of the child until such a reasonable time a hearing can be set (not to exceed three [3] school days).
