ACTIVITIES

One of the goals of Chickasha High School is to provide every student the opportunity to participate in school related activities. We encourage each student to become active in the opportunities at Chickasha High School. The Oklahoma Secondary Schools Activity Association governs all of our competitive activities. See eligibility section for specific eligibility rules.

ALCOHOL AND/OR DRUG ABUSE POLICY:

Alcohol and/or drug abuse shall be defined as sale, possession, use and/or being under the influence, while under the supervision of the school or in attendance at any school related function, of intoxicating beverages, alcohol, controlled dangerous substances, as defined in the "Chemical Abuse Policy" or any compound, liquid, chemical narcotic, drug, vegetable, fruit, or other substance which:

1. Contains ketones, aldehydes, organic acetones, ether, chlorinated hydrocarbons (e.g. gasoline, glue, fingernail polish, white out, etc.) or some other solvent releasing toxic vapors; or

Sale of any of the substances listed in the preceding paragraph shall result in suspension for a minimum of one semester. Notification will be sent to the Board of Education, police, District Attorney, and parent(s) or guardian(s) of the student. A second offense will result in suspension from the school for a minimum of a semester's length of time. Upon commission of a second offense, the District Attorney's office will be requested to file the appropriate legal action upon signed complaint. (Reference O.S. 70-24-102). This policy applies to both regular and special education students. The special education review committee will meet following suspension.

ASSEMBLIES

Assemblies at Chickasha High School are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. There will be a fall and spring sport assembly, as well as a homecoming assembly each year to introduce students that participate in each sport or are selected as part of the homecoming court. Students are expected to act respectful at the assembly and to any guest to the Chickasha High School campus.

ATHLETICS

It is strongly believed by the teachers and coaches at Chickasha High School that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes.

ATTENDANCE POLICY

Please contact the Attendance secretary the morning of a student's absence at **222-6550**. Any student in grades 9, 10, 11, or 12 with ten (10) absences in any semester period, exclusive of any authorized activity absence, will receive no credit for that semester. In some instances, there may be extenuating circumstances (extended illness or hospital/home confinement confirmed by a doctor's statement, home emergencies, etc.) in which this policy may be waived.

Absences:

There are three (3) kinds of absences: **Excused, Unexcused, and Permitted.** An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made on the day of the absence:
 - Illness

- Doctor or dentist appointment
 - Funerals
 - Emergencies (Family)
 - Recognized religious holidays
 - Statements or appointment cards from doctor or dentist must be presented to the Attendance Office.
2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. It is the responsibility of the parent or guardian to call in on time.

Absence Notification:

1. 1st letter-warning to parents, signed by secretary, sent to parent/guardian. Copy placed in student's file.
2. 2nd letter-letter to the District Attorney on four (4) absences in a four (4)-week period or ten (10) absences in a semester. Signed by principal, sent to Central Office. Copy of all sent to parent/guardian and placed in the student's file.

A letter and affidavit will be sent to the District Attorney each week that a student continues to have unexcused/unverified absences. This continues each week more unexcused/unverified absences occur.

BACKPACKS

You will need a backpack this year to provide a place for your phone. Phones are NOT allowed on you or in a pocket this year in class or in the hallway.

BICYCLES

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

CAFETERIA Meals are FREE this year for students

The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will be given an application for free and reduced lunches upon enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year. Should you have a change in your family income or household size you may complete a new application at any time. Contact your school lunch fund attendant, principal, or the food department at 222-6573 for more information.

Breakfast: Breakfast will be served from (TBD by approved start time) each morning in the cafeteria.

Lunch: Lunch will be served each day according to the schedule below.

<u>Breakfast</u>	<u>Reduced</u>	<u>Full Price</u>	<u>Lunch</u>	<u>Reduced</u>	<u>Full Price</u>
	\$0.30	\$1.70		\$0.40	\$3.05

Students may bring their lunches or they can choose from a regular lunch. Only free and reduced students eat lunch for free at the High School. If they choose to purchase something from the a-la-carte line students are responsible for that price.

CHECKING IN AND OUT OF SCHOOL/ATTENDANCE

Students arriving after the first hour begins must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. If a student is more than ten (15) minutes late to class, this will be considered an absence for that period. If your student will not be in attendance, please contact the school on the day of the absence.

CHEMICAL ABUSE POLICY:

The use and unlawful possession of illicit drugs and/or alcohol is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL students.

CHILD FIND NOTICE

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment including intellectual disabilities, multiple disabilities, orthopedic impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find students ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Pam Ladyman at 222-6500.

CLOSING OF SCHOOL - BAD WEATHER

Dismissal of school due to bad weather conditions will be announced by 6:30 a.m. on KOOL 105.5 Radio and the major Oklahoma City TV Stations. Closure of school will also be announced on the school's FaceBook page. Please provide the school with current phone numbers so that you can be reached in case of school closure. Parents and students are encouraged not to call the school so building administrators will be able to implement safety procedures.

CONDUCT OFF-SCHOOL PREMISES

Students involved in off-campus attacks on school officials, their families, animals, or property, will result in disciplinary action at school. School authorities have the power to discipline pupils for out-of-school conduct having a direct and immediate effect on the discipline, welfare, and effectiveness of the school- including but not limited to: **texting/social media, notes, or any other form of contact**. At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. A conference can be held with the site school counselor, an administrator, parent/guardian, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling will be implemented

CONFERENCES

Conferences will be scheduled with the teacher(s). In order to maintain open communication, parents are encouraged to attend with their student(s).

DRESS CODE/STUDENT APPEARANCE

It is the desire of the administration and staff of Chickasha High School that every student be provided the opportunity for a quality education on a daily basis. When the dress code becomes the focus due to the inappropriateness of the clothing, this creates an environment that is not conducive to a quality education. Good grooming promotes pride and is a very important part of the general training of young people. The training is a cooperative effort of the school, parents, and students. It is the intent of the student dress code to permit students to dress according to fashion, and at the same time restricts extremes or indecency in grooming which will distract from the main purpose of the educational program. The hallmark of the exercise of disciplinary action shall be fairness. The foundation of a dress code is to provide appropriate standards for student appearance and to assist in maintaining student behavior that is conducive to the learning environment. All students are expected to be groomed and dressed appropriately with respect to cleanliness, attire must be adequate to ensure a decent appearance. Footwear must be worn at all times. There may be changes, interpretations or exceptions to the dress code as deemed necessary by administrators. These changes or interpretations will be dependent upon safety conditions or situations that may develop.

ELECTRONIC DEVICES

CD players, ipods, MP3's, Gameboys, and cameras must be left at home. The school will not be responsible for searching for or replacing such items that are brought to school. This also applies to cd's or game cartridges. If brought, they will be confiscated and may be picked up in the office by the parent/guardian. If the problem reoccurs, the item will be confiscated and will need to be picked up by the parent/guardian at the end of the semester. The student also may be given ISS.

ELIGIBILITY

In order to participate in authorized school activities as defined by Board Policy 6.17, other than regular meetings and practices, a student must meet the guidelines prescribed by "Student Eligibility during a term" and "term grades".

Student Eligibility During a Term:

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. When a student is passing all subjects, he/she will become eligible at the beginning of the following eligibility week. The ineligibility period will begin on a Monday and end on a Sunday. Eligibility reports will be prepared Friday afternoon. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than Wednesday. Any work turned in after that designated time would not be counted for eligibility for the

following week. The coach or sponsor will notify a student who is on probation or is ineligible. A sponsor, a director of an activity, or a coach of a sport will not be permitted to question any teacher about an ineligible or probationary student. It is the student's responsibility to confer with his/her teacher if there is a question about eligibility status. If the questions cannot be resolved, the matter may be referred to the principal, athletic director, or principal's designee.

EMERGENCY DRILLS

In order to be prepared for an emergency, administrators will conduct fire, tornado, lockdown, and intruder drills. As a safety precaution, emergency procedures will not begin until announced by a faculty member. Whenever an emergency procedure is conducted, students should conduct themselves in a safe and appropriate manner.

FOOD OR DRINK

No outside drinks in hallways or classrooms! Students may not have food or drinks in the classrooms. The only exception is water in a labeled water bottle, such as, Dasani, Ozarka, etc. WITH teacher approval.

FUNDRAISING CAMPAIGNS

The faculty sponsor, the principal, and the Board of Education must approve any methods or occasions of raising money by a student group. All club monies must be turned in to the financial secretary in the front office daily. Cash must not be left on the school premises overnight. Persons who collect monies will be responsible for the replacement of any monies unaccounted for, misplaced, lost or stolen. Parents and other support organizations are encouraged to have fundraisers other than door-to-door sales involving students as salespersons.

GRADE RETENTION OR COURSE FAILURE

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher/counselor and/or administrator conference. The decision of the Board shall be final.

GRADING SYSTEM

At the end of the fifth week of each nine-week period, parents/guardians will receive a progress report and at the end of each nine-week period, each student will receive a report card. The letter grade will indicate the progress of the student in each class. See the grading scale below.

A	Superior quality of work (90-100)
B	Good quality of work (80-89)
C	Satisfactory quality or progress in terms of ability (70-79)
D	Below quality of work expected (60-69)
F	Unsatisfactory work (below 60)

Teachers will also contact parents by mail, phone or email when the student is having difficulty of any kind, which interferes with the educational process. If a student does not pass a class for the semester or year, he or she may not move up to the next grade level. Students must have the required credits for the next grade level. See Credits Needed

The following steps constitute the procedure for students and parents/guardians:

1. If the grievance is directed toward a teacher, the parent should make an appointment to visit the teacher.
2. After this initial meeting, if the grievance is not settled, the parent should discuss the problem with the principal.

HEAD LICE

Any student with head lice will be prohibited from attending school and cannot return to school until treatment and verification by a staff member or signed documentation by an appropriate health care provider that the student is rid of lice.

HEALTH SERVICES

If a student is ill, he/she is to report to the main office. If a student is under a physician's care and medication is prescribed during the school day, a note from the parent, along with the medication in the original prescription container, must be presented to the secretary in the main office.

Philosophy of the Health Services Department

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

HOMEWORK POLICY

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.
4. To develop initiative, independence, self-direction and responsibility.
5. To assist in developing good study habits.
6. To provide parents with opportunities to become aware of what is being taught in the classroom.

ILLNESS

Students with a temperature above 98.6 must go home and not return until they have been free of fever for 24 hours. Students who are experiencing vomiting or diarrhea must also wait 24 hours before returning to school. When students are sick, they should remain at home to keep infection from spreading. This does not include sniffles and coughs due to allergies. Any student with a contagious disease, including staff infection, will be prohibited from attending classes, activities and/or events at Chickasha Public Schools. They cannot re-enter school until treatment and verification that the student is not still infected.

Parents will be contacted if their child becomes ill or has an accident during the school day. If parents cannot be reached, the emergency numbers will be called. Please be sure that your child's emergency information is correct.

In order for the School District to provide access to its computer network and the Internet, all students must take responsibility for appropriate and lawful use of these resources. Teachers and other staff will make reasonable efforts to supervise student use of network and the Internet. Students must understand that inappropriate use can result in one or more of the following: loss of network privileges, school disciplinary action, and/or appropriate legal action. Listed below are the provisions regarding computer network and Internet use. If you have any questions about these provisions, you should contact the principal.

Acceptable Use: The School District is providing access to the computer network and the Internet for educational purposes only. Educational purposes include access to educational material, training, and research.

Unacceptable Use: Among the uses that are considered unacceptable and which constitute a violation of this policy are the following:

1. Unlawful activity such as unauthorized access, "hacking", copyright violation, and program vandalism.
2. Viewing, transmitting, or downloading pornographic or other inappropriate materials.
3. Transmitting harassing, offensive, or defamatory messages.
4. Damaging network resources by exposure to viruses or compromising the hardware or software.
5. Use that is commercial in nature.

the online activities of students, through direct observation and/or technological means, to ensure that students are not accessing such depictions or any other material that is inappropriate for minors.

LIBRARY

The Chickasha High School Library is dedicated to enhancing the school curriculum by providing both educational and recreational materials. Students may check out up to two (2) books (fiction or nonfiction) for a period 10 school days as long as the student is in good standing with regard to checkouts. After one (1) day of grace, a three (3) cent fine per school day may be assessed for overdue books. This does not include textbooks. The library is automated, providing quick access to materials. There are computers available for the students to conduct research, create word processing documents, or enjoy educational games. Students are given the opportunity to visit the library with teacher permission or with the Language Arts teacher. ***The destruction, theft, or failure to return school library books is a misdemeanor under state law.*** The library contains a wide variety of materials, covering a wide spectrum of topics. Some topics which may be appropriate for some are not always appropriate for others. Please be aware that at any time a student selects a book either on purpose or unknowingly, which proves to be too difficult or in which the content is unpleasing or inappropriate for that student, he/she may return it immediately and select a different book. A student will not be forced to check out books, for the purpose of leisure reading, anything that he/she feels is inappropriate, either by level or content. There is a wide variety of items to choose from in the CHS Media Center.

LOST AND FOUND

Personal belongings and books should be marked with the student's name. Should a student lose a book or personal belonging, he/she should first check with teachers and friends. If the item is not located, the student should check in the main office. Students are responsible for replacing missing text and library books checked out to them. Any lost textbooks or library books will need to be paid for by the student before being issued another book. Proof of receipt will enable students to be issued another textbook. At the end of the school year, any lost textbooks and/or library books may result in report cards being withheld from students and parents.

MAKE-UP WORK

Students are given one day plus the number of days absent to make-up work. **Requesting make-up work for absences is the responsibility of the student.** Any work missed due to an absence or participation in a school activity will be made up by the student. All make-up work turned in on time will be graded. If a student is absent for three or more days, assignments may be requested by the parent through the main office.

MEDICATION

Medication is not to be sent to school with students. Parents/Guardians must bring medication into the office. Parents must fill out a parental authorization form. Prescription medication must be in a container with a pharmacy label indicating the following: Student name, name and strength of medication, dosage and directions for administration of the medication, name of physician or dentist, and date and name of pharmacy. Students who require immediate use of medication due to asthma or other conditions, must have written authorization from the parent/guardian and doctor that indicates the purpose of the medication, time to be administered, whether the medication must be retained by student for self-administration, termination date for administering the medication, and other appropriate information requested by the principal or designee.

Students must not transport any medication, prescription or over the counter. Parents need to bring over the counter and fill out the forms for it to be administered to their child. Students failing to comply with these regulations may be subject to disciplinary action under the substance abuse policy.

MONEY AT SCHOOL

Students are not encouraged to bring money to school. Fundraiser money should be taken to the sponsor upon arrival to school. **The school will not be responsible for money lost or stolen.**

OFFICE AIDES

Students may be used as office aides, library aides, or used in such a manner as to enhance the efficiency of an office or department. These students **MUST** have a 3.0 GPA, good attendance records, and exhibit exemplary behavior at all times in order to work in the office. The privilege of being an office aide can be revoked at the discretion of the administration. Students used as aides may not be used in any way that would require them to leave the high school campus.

PARENT TEACHER ORGANIZATION (PTO)

Parent-teacher organizations shall be encouraged as a means of developing understanding between the home and the school. The Chickasha Board of Education wholeheartedly encourages and supports organized PTO units. Assistance in formulating well-organized units, cooperating in planning activities, projects, and school programs, and in general simulating good parent-teacher relations is a function shared by each certified teacher in the school system.

REPORTING ABUSE OR NEGLECT

Every person, private citizen or professional who has reason to believe that a child under the age of 18 is being abused or neglected is mandated by law to promptly report suspected abuse to the Oklahoma Department of Human Services (DHS). Likewise, law enforcement will be notified when there is reason to believe a criminal act has occurred.

REWARDS

Students have consequences for behaviors that are less desirable. The majority of our high school students make good choices. Each nine weeks we will reward those students that have good attendance (2 or less absences for 1st nine weeks), do not have a tardy, and have not been placed in detention, ISR, ISS, or suspended. We will have a committee of teachers, administrators, and students to decide what and when the reward(s) will be. We will meet at lunch on August 29, 2019, and set up future meetings, to discuss ideas. In the past, some of the rewards have been, extra time at lunch, popcorn/movie, Fight'n Chick Award, and Snow Cones.

Any student found to be in possession of dangerous weapons, controlled dangerous substances, or other unlawful or prohibited items may be suspended by the superintendent for a period not to exceed the current school semester and the succeeding semester. Such suspension may be in addition to any civil or criminal liability.

The Chickasha Public Schools Policy and Procedures related to these records meets the provisions of the Family Educational Rights and Privacy Act (FERPA).

Parents and eligible students have the following rights under the FERPA Policy: The right to inspect and review the student's educational records. The right to seek to correct parts of the student's educational records that they believe to be inaccurate or misleading. The right to a hearing to present evidence that the student's records be changed if the district decides not to alter it. The right to file a complaint with the Department of Health, Education and Welfare if the Chickasha Public Schools violates the FERPA Policy.

Chickasha Public Schools shall limit the disclosure of information in a student's educational records except:

1. by prior written consent of the student's parent or the eligible student,
2. as directory information, or
3. under circumstances permitted by FERPA.

Copies of the FERPA Policy are available during normal school hours at the principal's office. The FERPA Policy and Procedures is also located in the Superintendent's Office at 900 W. Choctaw Avenue. Parent(s)/guardian(s) and eligible students have the right to inspect or obtain copies of this policy. The administration building is open between the hours of 7:45 A.M. and 4:30 P.M., Monday through Friday, except designated holidays. A translator /interpreter will be provided whenever necessary.

SUBSTANCE ABUSE POLICY

The use and unlawful possession, sale, purchase of illicit drugs, distribution of over the counter drugs and/or alcohol, or the intent thereof, is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL students. Student suspension for alcohol and/or drug abuse:

First Offense: "Whenever it appears to any public school teacher that a student may be under the influence of intoxicating beverages as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or a controlled dangerous substance as defined in Section 2-101 of Title 63 of the Oklahoma Statutes, that teacher shall report the matter, upon recognition to the school principal or his/her designee. If the student is found to be under the influence, selling, or purchasing illegal drugs/alcohol, or has the intent to do so, the principal or designee shall immediately notify the Superintendent of Schools or designee and a parent or legal guardian of the student of the matter." (Reference O.S. 70-24-138).

A student who is a first time offender may be suspended for up to 45 days. If a student is suspected drug/alcohol abuse because of odor or residue on the breath or clothing, they will be disciplined according to the conditions under the "Drug Paraphernalia" section of this handbook. The principal will inform the parent(s) both verbally, when possible, and by letter, that the student has been suspended for alcohol and/or drug abuse. The notification will include the length of the suspension and will ask both parent(s) and student to meet with the principal or his/her designee. A student who is a 2nd time offender may be suspended for up to 90 days.

During the conference with the principal, or his/her designee, the Substance Awareness Intervention Program of the district will be explained to the student and parent(s). The student and parent(s) will be requested to participate in one or more of the programs: Youth Services, Great Plains Outreach Clinic, Grady County Guidance Center or other mutually agreed upon agencies. Following the conference with the principal or his/her designee, the principal will decide if circumstances merit a deferment of the remainder of the suspension beyond 20 days and a conditional early readmission of the student.

A suspended student who is a first time offender for possession /sale of, or the intent thereof, or for being under the influence of drugs, as defined above, could be readmitted to school after 20 days if these conditions are met:

1. The student must be involved in or enrolled in counseling with a counselor or agency approved by the school. Parental involvement, although not required, is strongly requested. During the period of counseling, reports are to be signed by the counselor.
2. Upon proof of compliance with number one above, the student would be readmitted on probationary status and would stay on probation as long as counseling continues. Counseling[C1], upon successful completion, would be terminated by the counselor. A statement of release, signed by the counselor, must be submitted to the principal. Probationary status would include the student's signing and abiding by a contract stating that he/she understands that violations of school rules which would normally lead to a short-term suspension will cause probationary status to be lifted and the original suspension reinstated.

TARDY POLICY

Students will have 4 minutes between classes. When the tardy bell rings, all classroom doors will be closed and students will be considered **tardy**. After a class has been in session for more than 15 minutes, the student will be considered **absent** from that class. It is then the student's responsibility to ask for make-up work.

THERE ARE NO EXCUSED TARDIES

The following consequences will result when a student is tardy:

1. Lunch Detention
2. ISR

TELEPHONE/CELL PHONE

Students will only be allowed to use their cell phone before and after school. (All other times the phone must be kept in a backpack or purse.) **Students will not be called to the office for phone calls.** Important messages will be delivered to the students. Administrative discretion will be used in emergency situations.

TEN DAY ACTIVITIES REGULATION

A student shall not be absent for activities from any class period more than ten times in one year. Excluded from this number are state and national levels of school-sponsored contests. To qualify for such an exception, the activity sponsor must recommend the criteria by which the students earn the right to compete to the Board of Education for approval.

Excluded from consideration by the Board are activities falling under this policy which are as follows: school approved field trips, interscholastic meets, serving as a page in the State Legislature, school assemblies, and Special Education. The high school principal and counselors will determine the valedictorians from the members of the graduating class. The valedictorians shall be graduating seniors who will receive a standard diploma, who have a cumulative grade point average of an unweighted 4.0, and have taken at least four (4) honors courses during 9-12 grades. In determining these honors, grade point averages shall be based on grades earned the first three (3) years of high school and through the first semester of the senior year.

VEHICLE POLICY

Students having vehicles at school are governed by the vehicle policy established by the Chickasha Board of Education. Under the regulations of the Vehicle Policy, students are expected to park in assigned parking areas only, drive in a careful and prudent manner, register the vehicle, pay a parking fee, have a valid driver's license, insurance verification, and display a valid parking permit on the rear view mirror with the numbers showing forward, and adhere to all other vehicle rules in the student handbook.

Abusers of the vehicle policy consist of illegal parking, non-registered vehicles, registration violations, speeding, parking sticker violation, driver over parking blocks, careless and reckless driving, and no consent form on file. Students who improperly display the vehicle permit, park in the wrong lot, or park in a "No Parking" area, will be subject to the same steps listed above. Loitering is prohibited in the parking lots during class periods or at lunch.

VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.
- Any visitor to the school must report to the office of the principal upon arrival at the school to sign in and receive a visitor's pass.
- Parents or citizens wishing to observe a classroom while school is in session are requested to **arrange such visits in advance with the principal** so that class disruptions are minimized.
- Teachers are not expected to take class time to discuss individual matters with visitors.
- School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

Withdrawal From School

If you are moving and your child will no longer be attending this school, please let us know. All district owned books, supplies, equipment, etc. must be returned to the teacher that distributed them. A clearance slip with the appropriate teachers' signatures must be returned to the principal's office.

DISCIPLINE POLICY THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The

disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office. Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

DISCIPLINARY ACTIONS

In considering the different forms of disciplinary action, the faculty and administration of the school district will consider the following actions. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The Board of Education will rely on the judgment and discretion of the administration and/or faculty member to determine the appropriate remedial or corrective action in each instance.

- Conference with student
- Conference with parent
- In-School Restriction - In a room with a teacher, student may practice or attend event after school hours.
- Lunch Detention
- Referral to counselor
- Behavioral contract

**** In case of serious offenses, such as fighting, weapons, etc, authorities will be contacted and the students involved could be arrested.**

EXPLANATION OF HIGH SCHOOL DISCIPLINARY CONSEQUENCES

Behavioral Contract This is a written agreement between the student and teacher/administrator defining specific acceptable behavior patterns to be followed by the student, and the penalties to be assessed if the student fails to comply with the procedures outlined in the contract.

Detention A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

(A) Teacher Assigned Lunch Detention - Lunch Detention may be held in the assigning teacher's classroom. Teacher will let student know when to meet and what to bring.

(B) Regular Lunch Detention - This detention is assigned by an administrator or teacher and will be used for tardies. This detention is held in the ISS/ISR room.

In-School Restriction (ISR) The objective of this program is to provide an alternative to out-of school suspension for those students who fail to function acceptably in the education setting. ISR is in lieu of the regular day. Students will receive work from each of their classes and be held accountable for completing work. It will be turned in to their teacher at the end of the day. An Assistant Principal will place a student in ISR, parental contact will be made. Failure to follow the policies of ISR will result in immediate out-of-school suspension. Students placed in ISR can participate in activities and practices after school hours. They may not play in any competition games or participate in any activities.

Suspension (Removal of a student from school and all school functions for a specific period of time). The principal, assistant principals or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and verbally, when possible, of the suspension. Students suspended from school will be placed on an Education Plan and work will be provided for pick-up in the front office. It is the parent and students responsibility to pick up the work, complete it, and turn it in to the front office in a timely manner.

CLASS ASSIGNMENTS DURING SUSPENSION

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.

APPEALS PROCESS

There is no appeal process for a student assigned to In-school Restriction.

Appeals Procedure for Suspension up to 10 days: There is no appeal process for a student assigned to one to three days of Suspension. If the student or parent wishes to appeal a suspension of more than 3 days and up to 10 days, he/she must notify the Principal within 48 hours of the suspension notification of the intention to appeal. The Principal will schedule a hearing within 3 school days of the original suspension. The parent and student will participate in the appeal hearing, presenting grounds for the appeal, during a meeting with the building Principal. The Principal will provide a written determination on the appeal within 3 school days. The decision by the building Principal is final.

Appeals Procedure for a Suspension of more than 10 days: Step 1: If the student or parent wishes to appeal a suspension, he/she must notify the Principal within 48 hours of the suspension notification of the intention to appeal. The Principal will schedule a hearing within 3 school days of the original suspension. The parent/student will participate in the appeal hearing, presenting the grounds for appeal, during a meeting with the building Principal. The Principal will provide a determination on the appeal within 3 school days.

Step 2: If the suspended student and/or his/her parent is not satisfied with the Principal's determination, they may appeal to the Superintendent of Schools, in writing, within 48 hours of the Principal's decision. The Superintendent of Schools, or his/her designee, will schedule a level 2 appeal within 3 days of receiving the written request. The Superintendent and/or his designee will provide a written determination on the appeal within 5 school days.

Step 3: If the suspended student and/or his/her parents are not satisfied with the level 2 appeal, they may appeal to the Board of Education. At Board hearings for long term suspensions, the student and his/her parent/guardian will have the opportunity to present his/her side of the case and question any witnesses present. The student may or may not be represented by legal counsel. Likewise, the school administration may or may not be represented by legal counsel. The parent or guardian must be present at all hearings unless the student is self-supporting. All necessary school personnel will be present at the hearing to present the school's position.

A written decision will be provided to the parent upon the Board of Education's determination. This Board's decision is final.

Copies of statements are not provided to students. In the event of an appeal, the parent/guardian may request a summary of the incident. The building Principal will submit the summary based upon information obtained from witness statements.

LEGAL AUTHORITY FOR SUSPENSION

Authority to Suspend: A principal or his/her designee has the initial responsibility and authority to suspend a student. In buildings where assistant principals are not provided and the principal is absent, the superintendent or his/her designee or another principal from one of the district's schools, shall come to the school where a student is presenting a discipline problem, assist in the resolution of the problem and be authorized to make suspensions in the absence of the principal. (Reference: O.S. 70-24-102)

SPECIFIC INFRACTIONS AND CONSEQUENCES

The following examples of behavior are not acceptable in society generally, and in a school environment particularly. When, in the judgment of the teacher or administrator, the behavior of a student is

unacceptable in the following areas, corrective action will be taken. These examples are not intended to be exhaustive, and the omission of examples of unacceptable behavior is not an endorsement of such behavior.

ALCOHOL AND/OR DRUG ABUSE:

The use and unlawful possession, sale, purchase of illicit drugs, distribution of over the counter drugs and/or alcohol, or the intent thereof, is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL ChickashaHigh School students.

Student suspension for alcohol and/or drug abuse

“Whenever it appears to any public school teacher that a student may be under the influence of intoxicating beverages as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or a controlled dangerous substance as defined in Section 2-101 of Title 63 of the Oklahoma Statutes, the teacher shall report the matter, upon recognition to the school principal or his/her designee. If the student is found to be under the influence, selling, or purchasing illegal drugs/alcohol, or has the intent to do so, the principal or designee shall immediately notify the Superintendent of Schools or designee and a parent or legal guardian of the student of the matter.” (Reference O.S. 70-24-138).

Under the Influence: If a student is suspected of being under the influence of Drug/Alcohol because of odor or residue on the breath or clothing, they will be disciplined according to the following. The principal will inform the parent(s) both verbally, when possible, and by letter, that the student has been suspended for alcohol and/or drug use. The notification will include the length of the suspension and will ask both parent(s) and student to meet with the principal or his/her designee. A student who is a 2nd time offender will receive a longer suspension.

For suspensions greater than 10 days - During the conference with the principal, or his/her designee, the Substance Awareness Intervention Program of the district will be explained to the student and parent(s). The student and parent(s) will be requested to participate in one or more of the programs: Youth Services, Great Plains Outreach Clinic, Grady County Guidance Center or other mutually agreed upon agencies.

Following the conference with the principal or his/her designee, the principal will decide if circumstances merit a deferment of the remainder of the suspension beyond ten (10) days and a conditional early readmission of the student, if the following is completed:

1. The student must be involved in or enrolled in counseling with a counselor or agency approved by the school. Parental involvement, although not required, is strongly requested. During the period of counseling, reports are to be signed by the counselor.
2. Upon proof of compliance with number one above, the student would be readmitted on probationary status and would stay on probation as long as counseling continues. Counseling, upon successful completion, would be terminated by the counselor. A statement of release, signed by the counselor, must be submitted to the principal. Probationary status would include the student’s signing and abiding by a contract stating that he/she understands that violations of school rules which would normally lead to a short-term suspension will cause probationary status to be lifted and the original suspension reinstated.

Harassment includes but is not limited to harassment on the basis of race, creed, color, national origin, religion, marital status, gender, sexual orientation, or disability. Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed. As used in the School Bullying Prevention Act, Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person; damage another person's property; place another person in reasonable fear of harm or damage to his/her property; insult or demean any person or group in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include but are not limited to, gestures, verbal, written, or physical assaults. Such behavior is prohibited by board policy.

There are four (4) types of bullies characterized. They are:

1. Physical bullies who often hit, kick or shove others;
2. Verbal bullies who use words to harm others through name-calling, insulting, making racist comments or harsh teasing;
3. Relational bullies often focus on excluding one person from their peer group and usually do so through verbal threats and spreading rumors; and
4. Reactive bullies who are individuals who are often both bully and victim. Typically victims first respond to victimization with bullying behavior.

Any student exhibiting harassment, hazing, intimidation and/or bullying, either verbally, in written form, or by gesture toward another student or school personnel or others on school grounds, in school vehicles, at designated school bus stops, at school sponsored activities, on Social Media, or at school sanctioned events shall be subject to the following:

WEAPONS IN SCHOOL:

The Board of Education has determined that possession or use of any type of weapon by a student is detrimental to the welfare and safety of the students and school personnel within the district. The Board of Education has further determined that the propensity within our society to possess weapons is becoming an increasing hazard to the safety and welfare of schools and communities in general.

The possession or use of any weapon during the time a student is in attendance in the Chickasha Public School system is in transit to or from the district, or in attendance or in transit to or from any school function authorized by the district, is expressly prohibited.

The possession of any weapon by any employee of or visitor to the Chickasha Public Schools or by any of the above, which is in attendance at any school function authorized by the district, is expressly prohibited. Exempt under this policy are instruments and devices that may be considered a weapon under this policy, but are specifically authorized by district personnel for use in approved curricula or extra curricular activity and being used in an appropriate manner.

For the purpose of this policy, weapons shall be categorized as follows:

Class I Weapons: Any device which will or is designed to or may readily be converted to

expel a projectile by the action of an explosive, including but not limited to, pistols, guns, rifles, and shotguns; the frame or receiver of any such weapon; any firearm silencer; or any destructive device, including, but not limited to, explosive or incendiary device.

Class II Weapons: Any device reasonably considered a dangerous weapon, including, but not limited to, daggers, knives, ammunition, hand chains, or metal knuckles.

FERPA (Notification of Rights)

(Board Policy EG & EG-R1)

District is subject to and complies with the Family Educational Rights and Privacy Act (FERPA). Student records, including course grades of students, will be maintained confidentiality as required by law. Within the first three weeks after the start of classes each school year, District shall cause a Notification of FERPA Rights to be published in selected area newspapers. In addition, District shall provide a Notification of FERPA Rights to each student or parent or guardian of a student by placement in the student handbook(s). District reserves the right to disclose Directory Information as set forth in the Notification of FERPA Rights.

Parents and eligible students have the following rights under the Family Education Rights and Privacy Act.

- 1. The right to inspect and review the student's educational records within 45 days after the day District receives a request for access.*
- 2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.*
- 3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.*
- 4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by District to comply with the requirements of FERPA.*

All rights and protection given to parents under the FERPA and this policy transfer to the student when he or she reaches the age of 18 or enrolls in post-secondary school.

FERPA Practice Tips

- **When parents are divorced, either parent may furnish consent and both parents are entitled to inspect the student's records, unless the divorce decree explicitly terminates a parent's FERPA rights.**
- **Teachers often overlook that email communications qualify as educational records that parents may inspect. When communicating with each other via email, teachers should pay attention to how parents may interpret these messages. If a teacher wants to communicate confidentially, they should do so orally, not via email.**
- **School employees often forget that, while records in the sole possession of the maker are exempt from inspection under FERPA, they may eventually be revealed. For example, when there is litigation, they may be compelled to produce documents through pretrial discovery, in compliance with subpoena, or when testifying.**
