Dear Grand Families,

It is my pleasure to welcome you to Grand Avenue Elementary for the 2023-2024 school year. It is my hope that you and your child will have a rewarding experience.

In order for school to be a place for children to learn and grow, it is essential to create an environment of mutual respect. We want school to be a place to experience the excitement of learning, a place where the students, parents and school staff form a partnership. Working together, there is no limit to what we and our children can achieve. Please take the time to read through the student handbook with your children so they will be aware of our STAR expectations for them.

Through the years some tough decisions that were made ended up working in the best interest for our students and staff. One of these being utilizing our camera and speaker for early checkouts, checking in late students, delivering items to students, etc. We will continue with this policy for the safety of students and staff. However we will allow parents back in the building for parties, assemblies, events, etc. Please look for more information from your student's teacher in the near future. Together with your understanding and patience, we will make this a grand year.

If you have any questions, please call (405) 222-6524.

Sincerely,  
Kathy Wenzel, Principal

# GENERAL SCHOOL INFORMATION

ADMINISTRATION RESERVES THE RIGHT TO MODIFY POLICIES AND PROCEDURES IN THE BEST INTEREST OF STUDENTS AND STAFF.

## ATTENDANCE AND MAKE-UP WORK

(Board Policy EC)

The board of education believes that in order for students to realize their fullest potential from educational effects, they should attend all classes if possible. Realizing that some absences may be beyond a student's control, the board has adopted a policy requiring students to be in attendance a minimum of 90% each semester to receive credit/grade for any course/class in which the student is enrolled. Exceptions to this requirement will be considered by the board on an individual, case-by-case basis.

Neglect or Refusal to Compel Child to Attend School: It shall be unlawful for a parent, guardian or other person having custody of a child who is over the age of five and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school.

### **Absences:**

There are three (3) kinds of absences: **Excused, Unexcused, and School Activity.** An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made **on the day of the absence:**
  - Illness
  - Doctor or dentist appointment
  - Funerals
  - Emergencies (Family)
  - Recognized religious holidays
  - Statements or appointment cards from doctor or dentist must be presented to the Attendance Office.
2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days **after** an absence, the absence will remain unexcused/unverified. It is the responsibility of the parent or guardian to call in on time.
3. Students arriving after 9:09 am will be counted absent for the morning. A student who arrives at 8:00 am must remain at school until 10:20 am to be count present for the morning. The students must be present by 12:45 pm to be counted present for the afternoon. Students who are present at 11:30 am must stay until 1:40 to be present for the afternoon. Also students leaving school before 1:40 pm will be counted absent for the afternoon. This will be counted against perfect attendance.

### Make-up School Work:

- Students who are absent from school shall be required to make up the work missed. Arrangements for doing make-up work must be made prior to the absence or not later than the day the student returns to class. Students are given 2 days for every day missed to complete the classwork assigned while they were absent.
- When a student is absent, the parent or guardian should call the attendance office before noon the day of the absence, if possible. Otherwise, the student must bring a note from the parent/guardian explaining the absence.

## TARDINESS

Students are considered tardy when they arrive one minute after starting times (8:00 A.M.). Students arriving late need to be checked into the office before going to class.

- Tardiness will affect a student's opportunity to obtain perfect attendance.
- Students arriving between 8:01-9:08 am will be considered tardy for the morning.
- Students arriving between 11:31 am-12:44 pm will be considered tardy for the afternoon.

The new truancy law (HB 1975) states upon the 4<sup>th</sup> day or parts of days of unexcused absences within a four-week period or for ten days or parts of days within a semester shall be referred to the District Attorney. The District Attorney has the power to issue citations to parents after their child's fourth unexcused absence.

## **ARRIVAL PROCEDURES**

Children eating breakfast may arrive at 7:30 am. THE BUILDING DOES NOT OPEN UNTIL 7:30 AM -THERE ARE NO ADULTS AVAILABLE FOR SUPERVISION BEFORE 7:30 A.M. For your child's safety please do not bring them to school before 7:30 am.

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT RULE**

(Board Policy BC rev 22)

Following a mandate issued by the United States Congress in 1986, the U. S. Environmental Protection Agency has established the Asbestos Hazard Emergency Response Act (AHERA) Rule. The AHERA Rule provides guidelines for identification, monitoring, and management of asbestos-containing material (ACM) in all public and private schools from kindergarten through twelfth grade.

The Asbestos Inspection and Management Plan is designed to identify any presence of ACM and to provide a program to control those materials and prevent any risk to building occupants. The inspection results and the management plan are on file for public review and may be examined by contacting your building principal or by visiting the administration office at 900 W. Choctaw between the hours of 9:00 A.M. and 3:00 P.M. the days school is in session.

## **BIKE SAFETY**

Students must walk their bikes when they are on school property and sidewalks to and from the bike rack. They will also be required to walk the bike across all crosswalks. Bike riders will be dismissed with the walking students and will cross the streets with adult supervision. If these rules are not followed, students will lose their privilege to ride a bike to school. Chickasha Public Schools will not be responsible for lost or stolen bikes; therefore, it is recommended that students bring a lock to secure his/her bike to the rack.

## **BIRTHDAY OR PRIVATE PARTIES**

No invitations for private parties are allowed to be distributed, unless the whole class is included.

## **BREAKFAST AND LUNCH PROGRAM**

All Grand students are eligible for free breakfast and lunch through the Community Eligibility Program. The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will be given an application for free and reduced lunches upon enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year. Should you have a change in your family income or household size you may complete a new application at any time. Contact your school lunch fund attendant, principal, or the food department at (405) 222-6573 for more information.

In accordance with the Federal Healthy Kids Act, we strongly discourage students from bringing soft drinks in their lunches. Instead, we encourage students to make healthy choices when selecting items for their lunches. Check the school website [www.chickasha.k12.ok.us](http://www.chickasha.k12.ok.us) for breakfast/lunch menus. In accordance with the Federal Healthy Kids Act, we strongly discourage students from bringing soft drinks in their lunches. Instead, we encourage students to make healthy choices when selecting items for their lunches.

The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment, including deafness, intellectual disabilities, multiple disabilities, orthopedic impairments, other health impairments, specific learning disabilities, speech or language impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find children ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Tammy Swinburne at (405) 222-6500.

## CHICKASHA PUBLIC SCHOOL DISTRICT PPRA NOTICE AND CONSENT/OPT OUT FOR SPECIFIC ACTIVITIES

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the School District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

- Political affiliations or beliefs of the student or student's parent;
- Mental or psychological problems of the student or student's family;
- Sex behavior or attitudes
- Illegal, anti-social, self-incrimination, or demeaning behavior;
- Critical appraisals of others with whom respondents have close family relationships;
- Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
- Religious practices, affiliations, or beliefs of the student or parents;
- Income, other than required by law to determine eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. The School District will provide parents, within a reasonable period of time prior to the administration of any surveys and activities, notification of the surveys and activities and an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfer from parent to any student who is 18 years old or an emancipated minor under state law.)

## CLASSROOM PARTIES

Three class parties may be approved by the building principal during the year; in December, February, and at the end of the year. If for any reason you object to your child participating in these parties please contact the teacher.

Classes may have additional parties to celebrate goals accomplished and special rewards. These do not always coincide with the times and dates of traditional parties of the past.

All food must be in prepackaged containers. It is the policy of the board of education that any food brought to the school for such celebrations not be home-prepared. Food should be store-purchased and properly sealed and protected. The seals and wrappings of store purchased food items and drinks should be removed at school and distributed under the direction of the classroom teacher or his/her designee. We suggest healthy food replace sweets.

## CLOSING OF SCHOOL FOR INCLEMENT WEATHER

Closure of school due to inclement weather conditions will be announced by 6:30 A.M. on KOOL 105.5 Radio and all major Oklahoma City TV Stations. Closure of school will also be announced on the district website: [www.chickasha.k12.ok.us](http://www.chickasha.k12.ok.us) and on Grand Elementary's Facebook page. An automated call will also be sent out from our school district. Parents and students are encouraged not to call the school, so building administrators will be able to implement safety procedures.

Please provide the school with current phone numbers so that you can be reached in case of school closure.

During Tornado Season we share safe rooms with Bill Wallace. The staff will have the students in the rooms if there is a threat of a tornado. Once the sirens have been sounded in town we will not be opening the rooms to allow students to leave. If you want to pick up your child, it must be before the sirens are sounded. There is no room for parents and other children. Please stay weather wise during these times.

## CRITICAL RACE THEORY

District does not discriminate on the basis of race or sex and shall comply with 70 O.S. §24-157 and Oklahoma Administrative Code 210: 10-1-23 in the enactment of this policy. In addition, the provisions provided for herein shall not prohibit the teaching of concepts that align to the Oklahoma Academic Standards.

District designates Jennifer Stegman to receive reports of violations of this policy. District will ensure that the employee is unbiased and free of any conflicts of interest. Jennifer Stegman may be reached via e-mail at [jstegman@chickasha.k12.ok.us](mailto:jstegman@chickasha.k12.ok.us) or via telephone at (405)222-6500. See [Board Policy BR](#) & [BR-F1](#) for guidelines regarding a formal complaint.

## CONDUCT AND DISCIPLINE PROCEDURES

The staff at each elementary site works together to make discipline as fair and consistent as possible. Disciplinary actions depend on the nature, frequency, severity, and situation of student misbehavior. Students are expected to obey the rules and all adults responsible for their care.

Desirable conduct is rewarded and students should learn that there are positive consequences for good behavior just as there are negative consequences for inappropriate behavior.

If a student receives an In-School or Out of School Suspension, he/she will not be allowed to participate in our Grand Celebration for that semester.

All suspensions will count for days in school. Weekends, holidays, etc. do not count towards the assigned suspension days.

Teachers are responsible for establishing rules with students and handling behavior problems. Teachers inform the principal and parent when repeated dangerous or severely disruptive

conduct occurs. The principal may initiate immediate disciplinary actions if needed or when previous consequences used by the teacher have been unsuccessful.

Students have the right to learn free of unnecessary distractions in a safe and orderly environment. The following rules exist in order to ensure these conditions.

## DISCIPLINE PROCEDURES FOR BUS RIDERS

Riding the school bus is a privilege and all students are expected to follow safe riding practices. Should a student be removed from a bus for inappropriate behavior it will be the responsibility of the parent to make other transportation arrangements to and from school for their student. 7. Never tamper with the bus or any of its equipment.

1. Go to at least ten (10) feet in front of the bus stop, check traffic, wait for the bus drivers' signal, then cross the road.
2. Go home immediately, staying clear of traffic.
3. Help look after the safety and comfort of small children.

## VIDEO CAMERAS ON SCHOOL BUSES

The school buses of the Chickasha Public Schools are equipped with on-board video recording cameras to monitor student behavior and assist the district in providing safe transportation to and from school. The school district will use video cameras in conjunction with driver observation to enforce school bus rider rules. Students should be aware that their actions may be recorded at any time during their ride on a school bus.

## EXPLANATION OF GRAND AVE ELEMENTARY SCHOOL DISCIPLINARY CONSEQUENCES

(Board Policy EK)

### Behavioral Contract

This is a written agreement between the student and teacher/administrator defining specific acceptable behavior patterns to be followed by the student, and the penalties to be assessed if the student fails to comply with the procedures outlined in the contract.

### Detention

A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

- A. **Teacher Assigned Lunch Detention** - Lunch Detention will be held in the assigning teacher's classroom. Students may bring lunch or purchase lunch from the cafeteria.
- B. **Regular Lunch Detention** - This detention is assigned by an administrator. Students must bring books and work.

### In-School Suspension (ISS)

The objective of this program is to provide an alternative to out-of-school suspension for those students who fail to function acceptably in the education setting. ISS is in lieu of the regular day. For a student to be placed in ISS, parental contact will be made. The student will sign a procedural contract so there is no misunderstanding about the intent of the ISS Program and its policies/procedures. Failure to follow the policies of ISS will result in immediate out-of-school suspension. Any student placed in ISS will not be allowed to participate in any school activities until their time is completed. Students may only participate in practice times that are outside of the normal school hours.

### Suspension

(Removal of a student from school and all school functions for a specific period of time).

The principal or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and/or verbally, when possible, of the suspension.

### Assignments during Suspension

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. **HARASSMENT/INTIMIDATION/BULLYING/HAZING:**

(Board Policy EI)

Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed. As used in the School Bullying Prevention Act, Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person; damage another person's property; place another person in reasonable fear of harm or damage to his/her property; insult or demean any person or group in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include but are not limited to, gestures, verbal, written, or physical assaults. Such behavior is prohibited by board policy.

There are four (4) types of bullies characterized. They are:

1. Physical bullies who often hit, kick or shove others;
2. Verbal bullies who use words to harm others through name-calling, insulting, making racist comments or harsh teasing;
3. Relational bullies often focus on excluding one person from their peer group and usually do so through verbal threats and spreading rumors; and
4. Reactive bullies who are individuals who are often both bully and victim. Typically victims first respond to victimization with bullying behavior.

Any student exhibiting harassment, hazing, intimidation and/or bullying, either verbally, in written form, or by gesture toward another student or school personnel or others on school grounds, in school vehicles, at designated school bus stops, at school sponsored activities, on Social Media, or at school sanctioned events shall be subject to the following:

1. The student will be referred immediately to a site administrator or his/her designee for intervention.
2. The administrator will gather and evaluate incident information and document the incident along with parent notification. Place the student on a probationary period reasonable to the situation if found in violation of the above policy. **The following procedures may be used according to the principal's or his/her designee:**
  - a. A No Contact Contract put in place.
  - b. The student will be subject to immediate removal from school for a minimum of 3 days.
  - c. The student's parent(s)/guardian will be notified.
  - d. The Chickasha Police Department could be notified.
  - e. A mandatory conference will be held with the parent(s)/guardian, student, school officials, and others as deemed necessary. ("Others" may include, but not be limited to, the following: Police, Multi-County Youth Services, Office of Juvenile Affairs, Department of Human Services, and Child Welfare.) The conference shall take place as soon as possible.

- f. If the parent agrees to counseling for the student, his/her suspension will be reduced by the building administration. The school site will approve an appropriate counseling agency. After an evaluation the counseling agency will be asked to make a written recommendation to the school concerning the student's re-entry.

Retaliation in any form against any person who has filed a complaint relating to sexual harassment, harassment, or bullying is prohibited. Retaliation may be grounds for disciplinary action including removal from the educational setting for a student.

**Additional Procedures Related to Bullying:** It is District's policy that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the District. The Administration may develop and implement appropriate regulations regarding bullying. (See [Board Policy EI-RI](#))

School bus transportation is a privilege provided for students who obey the bus rider rules. Failure of students to obey the rules could result in the bus driver’s attention being distracted. This in turn could result in a bus accident. Students are to obey the request of the bus driver/monitor as they would a teacher. Failure to follow the bus rider rules may be dealt with as follows:

<b>1st offense</b>	Warning and assigned front seat for 10 days along with parent notification
<b>2nd offense</b>	5 day loss of bus privilege along with parent notification

**Note:** If, in the opinion of the building principal, a violation of the bus rider rules is of sufficient magnitude, any of the above steps may be skipped, resulting in the immediate loss of bus riding privileges for the involved student(s). This does not preclude the student's right to a hearing. It does, however, allow for the immediate removal of the child until such a reasonable time a hearing can be set (not to exceed three [3] school days).

\*Grade level, maturity, student’s attitude, and other contributing factors will be used to determine the amount of time a student will lose bus riding privileges.

**DISMISSAL AND EARLY CHECK-OUT**

We encourage you to try and schedule your child's doctor and dental appointments after school. All children leaving school early must be checked out through the office. (**No early dismissals unless approved by the office**). Please do not interrupt the class in progress. We will call the student to come to the office before leaving school.

All bus riders will ride the buses home daily unless communication from the legal guardian or parent is received in the school office prior to 2:00 p.m. daily.

- Other students may not ride the buses home with bus riders unless prior approval has been given by the principal.

- Students will not be permitted to change their going home procedures (indicated by parents and guardians upon enrollment) unless the school office has been notified by the parent or guardian before 2:00 p.m.  
(For example: a child who regularly rides a bus home from school will be sent home every day on the bus unless the parent or guardian contacts the office and informs us differently).
- In order to ensure the safety of our students, we must have a note or phone call from the parent or guardian before we will allow a child to leave school with someone else.
- If your child is going home with another student, both students must bring a note from their parents.

All car riders will be dismissed at 2:45 pm on the east side of the building in the east oval. Parents should form a line on 14<sup>th</sup> Street traveling north and enter the oval at the north end. For your safety, please do not enter the oval from Grand Avenue as it causes a traffic jam on Grand. Do not ask your child to come to the street to load. For safety purposes, we need to load from the oval. You may walk up to get your children if you choose. When you exit the oval, you must turn south on 14<sup>th</sup> Street.

## DRESS CODE FOR STUDENTS

(Board Policy EH)

There exists a correlation between the quality of a student's performance, conduct, and appearance. Therefore, all students are expected to be groomed and dressed appropriately. Clothing and grooming must be such that they do not constitute a health or safety hazard. Grooming and dress must not constitute a distraction or interfere with educational opportunities of other students.

\*Under garments shall not be visible.

\*Vulgar Speech and alcohol/drugs are not protected speech.

\*Due to safety concerns hoods on outerwear cannot be worn.

Inappropriate dress could result in a call to parents/guardians requesting that additional clothing be brought to school.

Elementary students participate in a number of physical activities. They attend PE and recess daily. We also suggest that students wear shoes in which they can run, exercise and play. It is hard to participate in PE activities wearing heels or flip flops.

Student participation in student activities shall be voluntary and in accordance with any Administrative Regulations governing such participation. In order to be excused from classes to participate in student activities which are scheduled during the school day, a student shall be passing in all assigned subjects and shall be in compliance with all Administrative Regulations governing such participation.

### **EMERGENCY DRILLS**

(Board Policy BC rev 22)

**General:** The regulations, practices, and procedures of District shall promote safety throughout District and shall establish and maintain conditions which are reasonably safe and healthful for District employees, students, and visitors. The Superintendent or the Superintendent's designee shall have overall responsibility for the safety programs of the District. General areas of emphasis shall include, but not be limited to, in-service training, accident record-keeping, facility inspection, driver and vehicle safety programs, fire prevention, emergency procedures, traffic safety, and the safety of all persons present on District property or attending District-sponsored events.

**Emergency Drills:** The Superintendent or the Superintendent's designee shall prepare and publish a plan for the evacuation of each of District's buildings in case of emergency. District shall have written plans and procedures for protecting students, staff, and visitors from natural and man made disasters and emergencies such as tornadoes. Disaster plans shall be placed on file with the District and with the local emergency management organization. Annually, the

Administration shall report to the Board the status of emergency preparedness and identified safety needs for each school. Each fire drill shall be documented in writing, and such records shall be preserved for at least three (3) years and made available to the State Fire Marshall/or his/her agent upon request. Documentation of other emergency drills shall be maintained in writing with a copy at the school site, a copy filed with the District's administrative offices, and a copy submitted to the Oklahoma School Safety Institute as created by the Oklahoma Office of Homeland Security.

In addition, the District's board shall coordinate with the emergency medical services providers serving its area to develop an Emergency Action Plan for each facility and athletic practices, events or activities held at District facilities. Each sport or activity will have its own specific plan. The Emergency Action Plan shall meet all requirements provided for by law and shall be reviewed, updated, and rehearsed annually with school officials and local emergency medical services providers. The Emergency Action Plan shall be placed on file with the District and the emergency medical services provider and shall be updated to reflect any potential significant change that would affect implementation of the plan.

coach, or posted to the District's website, prior to any athletic event or activity involving athletes from visiting schools.

**Security Drills:** Each public school within the District shall perform at least four (4) security drills per school year as required by law. No security drill shall be conducted at the same time of day as a previous security drill conducted in the same school year, and no more than two security drills shall be conducted in one semester. One security drill shall be conducted within the first fifteen (15) days of each semester. Additional drills may be conducted at the discretion of the District. Security drills shall be conducted for the purpose of securing school buildings to prevent or mitigate injuries or deaths that may result from a threat around or in the school. The drills shall conform to the written plans and procedures adopted by the District. All students and employees shall participate in the drills with the extent of student involvement to be determined by the District.

In addition to the four (4) security drills, all districts are required to conduct a minimum of six (6) safety drills as follows:

**Tornado Drills:** Disaster/Tornado drills shall be conducted at least two times each school year with at least one drill being conducted in September and one being conducted in March.

**Fire Drills:** Principals shall prepare and publish a plan for the evacuation of their respective buildings in case of fire. Fire drills shall be conducted at each school site at least once per semester and must occur within the first fifteen (15) days of each semester. Fire drills shall include the sounding of a distinctive audible signal designated as the fire alarm signal.

The principal and the superintendent shall determine the additional safety drills to be performed consistent with the risks assessed for the particular facility or the recommendations of the Safe School Committee and/or local fire and law enforcement.

**Emergency Closings:** The Superintendent or the Superintendent's designee may close the District's schools, dismiss school early, delay the beginning of school, or take other appropriate measures in the event of hazardous weather or other emergencies which necessitate such action.

**Health and Safety Emergency:** District's primary concern in any emergency situation is the health and safety of the students, staff and their families. In the event of an emergency that endangers health and safety in such a manner that a person's physical presence in a school building could potentially expose them to pathogens which could lead to illness, no students or families are permitted to be inside a school building until the Superintendent has declared that it is safe. In addition, no staff member shall enter a school building unless the purpose is to provide "essential" services. Any staff members who the Superintendent classifies as "essential" or necessary to perform "essential" duties may be required to be physically present on school property at certain times as designated by the Superintendent. Any staff member who is required to be physically present in a school building shall strictly follow all health and safety guidelines established by the Center for Disease Control ("CDC") and/or the Oklahoma State Department of Health ("OSDH").

## GRADING SCALE

The following grading scale shall be utilized by all teachers of grades two through four:

100-90	A
89-80	B
79-70	C
69-60	D
59-0	F

## GRADE PLACEMENT – PROMOTION/RETENTION

(Board Policy ED rev 22)

(Appeal Retention Form ED-R1-F2)

(Appeal Retention to Board Form ED-R1-F4)

The grading system is designed to promote continuous evaluation of student performance, communicate student progress, and celebrate student successes. Administrative Regulations or Student Handbooks may set forth the District's grading system, including class ranking. Students attending school virtually will be subject to the same grading scale and policies as all other District students.

**Report Cards and Progress Reports:** District shall make report cards available to parents and/or guardians each nine (9) weeks. In addition, teachers may send progress reports, may make telephone calls, and may schedule personal visits as needed to report student progress to parents and/or guardians. Parent-teacher conferences are scheduled periodically.

**Promotion:** Students may be promoted based on proficiency as provided by law and the regulations of the State Department of Education.

**Retention:** In general, students shall be placed at the grade level to which they are best adjusted academically, socially, and emotionally. The educational program shall provide for the continuous progress of students from grade to grade, with students spending one year in each grade. However, some students may benefit from staying another year in the same grade, and under extreme or rare certain circumstances, a student may be retained more than once. The recommendation for retention may be made by the school or the parent/guardian. Parent requests for retention will follow the same procedures.

Each school shall form a committee to review and make decisions regarding retention and promotion. The committee shall be composed of the parent/guardian, a classroom teacher(s), a counselor when available, the building principal, and any additional personnel assigned by the principal. If the student has an IEP, 504, and/or ELAP the case manager must be included as a team member. Criteria to be considered by the committee shall include age of the student relevant to grade placement, attendance, testing, assignments, and the student's level of maturity. If the parent/guardian does not attend the meeting, the committee will continue with the meeting. Retention may be considered when:

1. The student is achieving significantly below ability and grade level;
2. Retention would not cause an undue social and emotional adjustment; and
3. Retention would have a reasonable chance of benefiting the student's development.
4. In addition, retention of certain students may be mandated by state law if the student achieves below the requisite score on statewide criterion-referenced tests.

Whenever the committee recommends that a student be retained at the present grade level or recommends that a high school student not be passed in a course, the student's parent or guardian shall be notified in writing of such recommendation. If the student's parent or guardian is dissatisfied with the recommendation for retention on the basis of items 1-3 set forth above, the parent or guardian may appeal the decision to the site committee. The appeal will be submitted in writing to the site principal utilizing District Form: ED-R1-F2. The Appeal must be submitted within five (5) school days of receiving the notification.

If the student's parent/guardian is dissatisfied with the recommendation of the site committee they may appeal to a District Committee. An appeal must be presented to a District Review Committee and then to the Board as follows:

- a. An appeal must be presented in writing to and received by the Executive Director of Personnel and Student Services within three (3) work days after the decision of retention is received by the parent/guardian.
- b. The retention decision will become final and unappealable if a request for appeal is not timely submitted.
- c. The District Review Committee will consist of three (3) administrator(s) not involved with the retention decision.
- d. The District Review Committee meeting will be held during regular school hours with reasonable consideration given to accommodate the hours of working parents within this time period, if possible.
- e. The hearing chair shall mail, email, or deliver a copy of the District Committee's decision to the parent/guardian and site principal.

If the student's parent/guardian is dissatisfied with the recommendation of the District Committee they may appeal to the Board by submitting a written request for an appeal to the Superintendent.

- a. An appeal of the decision of the District Review Committee to the Board must be submitted in writing to and received by the Superintendent or designee within five (5) school days after the decision of the District Review Committee is received by the parent.
- b. If no appeal is received within five (5) days, the decision of the District Review Committee will be final and non-appealable.
- c. Each board member will be provided the documentation presented to the District Review Committee.
- d. Each Board member shall review the information individually.
- e. At the next available Board meeting, an agenda item shall be placed on the agenda to consider and vote on the appeal.
- f. If at the meeting, the Board wants to discuss the appeal among each other, it must be discussed in open meeting unless the parent/guardian requests such discussion to be in executive session.
- g. The Board shall render a decision by voting to uphold or revoke the decision of the District Review Committee.
- h. As soon as possible after the review and/or hearing, the Clerk of the Board shall provide the decision to the parent and principal in writing, setting for the decision of the Board. The Board's written decision shall be mailed to the parent by certified mail, return receipt requested. The decision of the Board shall be final. There shall be no appeal procedure for mandatory retention on the basis of item 4 set forth above.

**Reading Sufficiency Act:** Each student enrolled in kindergarten in a public school shall be screened at the beginning, middle, and end of each school year for reading skills. Children at risk for reading difficulties at the beginning of the year will be monitored to measure mid-year and year-end reading progress. Kindergarten students who are not meeting grade-level targets by mid-year in reading shall be provided a program of reading instruction designed to enable the student to acquire the appropriate grade-level reading skills.

- Any student enrolled in first, second, or third-grade shall be assessed at the beginning, middle and end of each school year using a screening instrument approved by the State Board of Education. The assessment shall determine the acquisition of reading skills including, but not limited to, phonemic awareness, phonics, reading fluency, vocabulary and comprehension. Any student who is assessed and who is not meeting grade-level targets in reading shall be provided a reading instruction program to help them acquire the appropriate grade level reading skills, as provided for by law. This program shall continue until the student is determined, through the results of approved reading assessments, to be meeting grade-level targets.
- The District shall update its reading sufficiency plan annually taking into consideration all of the requirements prescribed in law as well as the input of school administrators, teachers, parents, and if possible a reading specialist. Any first-grade, second-grade, or third-grade student who demonstrates end of year proficiency in reading at the third grade level through a screening instrument which meets the reading skills criteria pursuant to law shall not be subject to retention.
- Upon demonstration of proficiency, the District shall notify the parent(s) or guardian(s) of the student that they have satisfied the requirements of the Reading Sufficiency Act and the student will not be subject to retention.
- If a third-grade student is identified at any point during the academic year as having a significant reading deficiency, meaning the student is not meeting grade-level targets on a screening instrument which meets the reading skills criteria, the District will immediately begin a student reading portfolio and provide notice to the parent or guardian of the deficiency. If a student has not satisfied proficiency requirements by the end of their third-grade year and still has a significant reading deficiency, has not accumulated evidence of third-grade proficiency through a portfolio, or is not subject to a good cause exemption, the student will not be eligible for automatic promotion to the fourth grade.
- The minimum criteria for grade-level performance of third-grade students pursuant to the Reading Sufficiency Act shall be that students are able to read and comprehend grade-level text.
- A student not eligible for automatic promotion as provided for under the above listed paragraph and who does not meet the criteria established by the Commission for Educational Quality and Accountability on the reading portion of the statewide third grade

assessment may be evaluated for “probationary promotion” by the Student Reading Proficiency Team. The student shall be promoted to the fourth grade if the team members unanimously recommend “probationary promotion” to the principal and the superintendent and the principal and the superintendent approve the recommendation that promotion is the best option for the student.

- If a student is allowed “probationary promotion”, the team **will continue to review** the reading performance of the student and repeat the process above each academic year until the student demonstrates grade-level reading proficiency through a screening instrument that meets the reading skills criteria for the corresponding grade level in which the student is enrolled or transitions to a locally designed remediation plan after fifth grade which shall have the goal of ensuring that the student is on track to be college and career ready.
- Students who do not meet the performance criteria established by the Commission for Educational Quality and Accountability on the reading portion of the statewide third grade criterion referenced test, who are not subject to a good cause exemption as provided below, and who do not qualify for promotion or “probationary promotion” as provided in this subsection, shall be retained in the third grade and provided intensive instructional services and supports.
- The parent of a student who is determined to have a reading deficiency and is not meeting grade-level reading targets and has been provided a program of reading instruction as provided for by law shall be notified in writing of the following:
  - a. That the student has been identified as having a substantial deficiency in reading;
  - b. A description of the services being provided to the student pursuant to a conjoint measurement model such that a reader and a text are placed on the same scale;
  - c. A description of the proposed supplemental instructional services and supports that will be provided to students and are designed to remediate the identified area of reading deficiency;
  - d. That the student will not be promoted to the fourth grade if the reading deficiency is not remediated by the end of the third grade, unless the student is otherwise promoted as provided for by law or is exempt for good cause as set forth below;
  - e. Strategies for parents to use in helping the student succeed in reading proficiency;
  - f. The grade-level performance scores of the student;
  - g. That while the results of the statewide criterion-referenced tests administered pursuant to law are the initial determinant, they are not the sole determiner of the promotion and that portfolio reviews and assessments are available; and
  - h. The specific criteria and policies of the District for midyear promotion implemented as provided for by law.

No student will be assigned to a grade level based solely on age or other factors constituting social promotion.

#### **Good Cause Exemptions:**

- a. English language learners who have had less than two (2) years of instruction in an English language learner (ELL) program;
- b. Student with a disability whose individualized education program (IEP), consistent with state law, indicates that the student is to be assessed with alternative achievement standards through the Oklahoma Alternative Assessment Program (OAAP);
- c. Student who demonstrates an acceptable level of performance on an alternative standardized reading assessment approved by the State Board of Education;
- d. Student who demonstrates mastery of the state standards beyond the retention level, through a student portfolio, the student is reading on grade level;
- e. Student with a disability who participates in the statewide criterion referenced tests and who have an IEP that reflects that the student has received intensive remediation in reading and has made adequate progress in reading pursuant to the student’s individualized education program; f. Student who has received intensive remediation in reading through a program of reading instruction for two (2) or more years but still demonstrates a deficiency in reading and who was previously retained in prekindergarten for academic reasons, kindergarten, first grade, second grade, or third grade; and

- f. Students who have been granted an exemption for medical emergencies by the State Department of Education.

Requests to exempt students from retention based on one of the good cause exemptions, shall be as follows:

- a. The teacher of the student shall submit documentation to the school principal that indicates the student meets one of the exemptions and promotion is appropriate. The documentation shall include only: the alternative assessment results or student portfolio work and the IEP, as applicable;
- b. The principal shall review and discuss the documentation with the teacher and, if applicable, the Reading Proficiency Team. If the principal determines that the student meets one of the exemptions and should be promoted based on the documentation provided, the principal shall make a written recommendation to the District Superintendent; and
- c. After review, the superintendent shall accept or reject the recommendation to the principal in writing.

A retained student who can demonstrate that he or she is a successful and independent reader, is reading at or above grade-level targets, and is ready to be promoted to fourth grade may be promoted mid-year. Districts may reevaluate the student using multiple tools, including: screening assessments, alternative assessments, and portfolio reviews, in accordance with the rules of the SBE. Retained students may only be promoted midyear prior to November 1 and only upon demonstrating that the student has met the performance criteria established by the Commission for Educational Quality and Accountability on the reading portion of the statewide third-grade assessment administered pursuant to law, or upon demonstrating proficiency in reading at the third-grade level through a screening instrument administered pursuant to law, and upon showing progress sufficient to master appropriate fourth-grade-level skills, as determined by the school. A midyear promotion shall be made only upon agreement of the parent or guardian of the student and the school principal.

A student who is otherwise promoted as provided herein or is promoted for good cause shall be provided intensive reading instruction that includes specialized diagnostic information and specific reading strategies for each student until the student meets grade-level targets in reading.

The District will annually report to the State Department of Education the number of students promoted to the fourth grade, as required by law.

## HEAD LICE

(Board Policy BD)

According to Oklahoma State Law, "Any school child afflicted with a contagious disease or head lice may be prohibited from attending a public, private, or parochial school until such time as he/she is free from the contagious disease or head lice." Head lice is not a serious communicable disease; however, it has serious educational, social and economic effects on the student and family. Head lice is not an indicator of poor hygiene or housekeeping and has no respect for age, race, sex or socio-economic class.

By the time you learn that one member of your family has lice, they may already have spread to others in the family. Therefore, it is essential that you do the following at once:

- Inspect each member of your family daily for at least two weeks. Head lice should be suspected when there is intense itching and scratching of the scalp and the back of the neck. If you look closely at the scalp, you will see small, whitish eggs firmly attached to the hair shaft, especially at the nape of the neck and above the ears. Although these eggs may look like dandruff, dandruff can easily be removed from the hair while the eggs are not removed easily even by pulling. A fine-toothed comb is often needed to remove the nits.
- If other members of your family become infested, treat them also.
- Wash all personal clothing (including underwear and pajamas) and bedding (sheets, blankets, pillowcases) of all family members in hot water or by dry cleaning those that have been used in the last two weeks.
- Thoroughly wash combs and brushes in hot soapy water to disinfect.
- Use clean towels for each person.
- Vacuum mattresses, rugs, sofa, etc. thoroughly, or spray house thoroughly with R & C Spray.
- Rinsing hair with vinegar after shampoo makes nit removal easier.

- Repeat shampoo and house cleaning procedures in 7 – 10 days.

Shampoos to use in the treatment of Head Lice:

Prescription  
Kwell, Scabene

Non-Prescription  
A-200, R&C, RID, Triple X, Cuprex

**Bed Bugs:** If a suspected bed bug is found on a student, the student will remain at school, but the parents or guardians will be notified and protocol will be followed according to District regulations.

**Sunscreen:** Pursuant to the written authorization of a student's parent or guardian, a school nurse, or in the absence of such nurse, an administrator or designated school employee, may assist a student in applying sunscreen, a compound topically applied to prevent a sunburn. In addition, the District shall permit students to possess and self-apply sunscreen that is regulated by the Food and Drug Administration ("FDA") without the written authorization of a parent, legal guardian or physician.

## HOMWORK POLICY

We encourage each student to read 20 minutes each night and practice math facts at home. Due to the varied work speed of individual students, anything assigned during the school day becomes homework if not completed during class. Please note that ample time is given to finish most assignments in class.

## ILLNESS

Students with a temperature above 100.4 degrees or more must go home and not return until they have been free of fever for 24 hours. Students who are experiencing vomiting or diarrhea must also wait 24 hours before returning to school. When children are sick, they should remain at home to keep the infection from spreading. This does not include sniffles and coughs due to allergies.

Any child afflicted with a contagious disease, including staph, may be prohibited from attending Chickasha Public Schools, and cannot re-enter school until treatment and verification that the child is not still infected.

Parents of children who become ill or have an accident during the school day will be contacted. If parents cannot be reached, the emergency numbers will be called. **Please be sure that your child's emergency information is complete and accurate.**

## INTERNET POLICY

(Board Policy BJ)

**Student Guidelines:**

To protect yourself, please observe social media policy guidelines when referring to the district, its schools, students, programs, activities, employees, volunteers and communities on any social media networks.
- B. Students should be aware that social posts must adhere to all state and federal laws and any applicable district policies. Students will be held accountable for the content of their electronic communications in relation to school, staff and students that might harm or cause harm to another student or teacher, specifically that which constitutes bullying, harassment, threats or advocates or depicts illegal activity and/or causes a substantial disruption to the normal operations at school. Illegal behavior is subject to punishment as appropriate and available. Students who engage in cyberbullying also risk civil and/or criminal charges and/or lawsuits that may be filed against them by victims or victim's families. The district will fully cooperate with law enforcement agencies in any and all investigations involving students, electronic devices and social media.
- C. Be safe online. Never give out personal information, including, but not limited to, last names, phone numbers, addresses, exact birth dates, and pictures.
