

**APRIL
2022**

**VOLUME
2**

A Note from Rick...

Greetings! This is one of the best times of the year! Spring is in full bloom, spring sports are in full swing (baseball, track, golf, softball, soccer, and tennis), there is a buzz in the air that summer break is almost here, and much more. I would like to take this opportunity and encourage everyone to attend an end-of-school year event. Each of our sites will be recognizing students for their outstanding accomplishments from the year, concerts will be performed, games will be played, and banquets will be held.

The culminating event of every school year is graduation. We are excited to celebrate the Class of 2022 on Friday, May 20th beginning at 7:00pm in the Activity Center. The last day of school is Thursday, May 19th for all sites. Please check out the list of end-of-year events on the back of this newsletter.

I would like to take to congratulate Sharita Brown on being named District Teacher of the Year for CPS. She was selected from our outstanding group of Site Teachers of the Year. Ms. Brown is a Special Education teacher at Chickasha High School. Additionally, I would like to congratulate Mr. Eric Golightly on being named Support Employee of the Year. Mr. Golightly is a para-professional at Chickasha Middle School. Both of these outstanding team members were celebrated at the CPS Foundation GALA that was held on April 26, 2022. A big THANK YOU is owed to Gab Shepard, Foundation Executive Director, and the Foundation board for holding the event. The decorations were beautiful, the food was great, and the entertainment was wonderful. Great evening all around!

CPS is a great school district because of our outstanding students, staff, parents, patrons, and community. Thank you for allowing us to serve this community.

Rick
