

Dear Grand Families,

We are pleased to announce that our school has enrolled with STOPit, by STOPit Solutions.

STOPit is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a back-end incident management system for school administrators.

You will have access to the STOPit mobile app, which has simple but powerful features. Specifically, the program educates students to:

- Recognize the signs of at-risk behaviors
- Take every sign and signal seriously
- Report it anonymously through STOPit App/Web or 24/7 Incident Response Center
- Submit photo or video evidence (App/Web Only)
- Alert designated administrators to issues and risks early, before they escalate

No personal information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a requester voluntarily includes it within the content of a request or message.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit is a signatory to the [Student Privacy Pledge](#), spearheaded by the Future of Privacy Forum and the Software & Information Industry Association. You may review STOPit's [Privacy Policy](#) for details, including more information on how anonymous reporting works.

You and your child have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. You can use STOPit to reach out for help if your child or a peer is facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create safer, kinder, school communities both online and off.

Please note that Chickasha Public Schools has launched this app, and you or your child are able to use it at this time.

We encourage you to download the STOPit app on your phones, or you can call Ms. Adams or myself anytime. You can privately ask for help for your student, family, others you care about, or even acquaintances who appear to need help. STOPit provides a training video. We at Grand elected not to share the video with students at this time as we are awaiting a more age-appropriate version. If you would like to view the video at home, here is the link:

Together, we can make sure everyone in our community gets what they need to thrive. If you have any questions or concerns, please feel free to call me.

Thank you!
