

NOVEMBER 2025

FROM THE SUPERINTENDENT'S DESK:

Rick Croslin

Greetings. The first part of the 2025-2026 has been flying by. During the first quarter of the year we welcomed students and teachers back, held numerous back to school events, held parent teacher conferences, and celebrated homecoming. The second quarter of the year is always full of special events and celebrations due to the holiday season. Halloween was just last week with Thanksgiving a couple of weeks away. Kids are already counting down to Christmas Break and that special visit from Santa. Speaking of Thanksgiving, CPS will be holding its annual Thanksgiving Luncheon on Tuesday, November 18th. Parents &/or guardians are invited to join your child for a traditional Thanksgiving meal. Cost of the meal is \$5.00 for adults. Please RSVP with your child's school by November 12th.

We want to celebrate all of the amazing things that happen daily at each school site. I would like to invite you to follow the school district on social media and our websites. To keep informed about happenings and updated on important messages, I would like to ask you to register for the Remind app. The Remind app is our primary communication platform that teachers and coaches use for communication throughout the year. Information on how to sign up for these resources can be found on our website - Chickasha.k12.ok.us.

On behalf of CPS, I would like to cordially extend an invitation for you to join our school PTO programs, booster clubs, and more. Each of these programs work to support and partner in the educational programming for our students. We are CPS! The only FIGHTIN' CHICKS in all of North America! Working together we have and will continue to accomplish great things for our students and community.

Proud to be a FIGHTIN' CHICK!
